**Ken Malone: [00:00:01]** Good evening. This is Ken Malone. I'm filling in again tonight for Clay. Clay is up in northwest Arkansas working really hard on getting the Ark under construction. I'm really excited about what the Lord is doing. So glad to have you on here tonight. We just greet you and bless you in the name of the Lord Jesus Christ. I know God has some powerful things that He's going to release on this call. I talked to Clay today and asked him what he felt like that we should focus on, and he was feeling strongly about focusing on praying against election fraud. And I will have to agree with him on that. I know that we have had our fair share of election fraud in the past here in Florida. And I believe that God can defeat it. We now have a governor who has really worked hard to defeat election fraud. And so we're just going to pray for that same backbone that's in Florida, that's in DeSantis to go into the other states as well. I was researching some of this today and found out that Michigan and Arizona are still so suspected that there could be election fraud this year again. So I'm going to pray. And then after I pray, Regina, you come on and come in after me. So, Father, tonight, I thank you for the goodness of the Lord. Your goodness and your mercy prevails, Father, in our life. You said in your word, God, that diverse weights are an abomination to the Lord and dishonest scales are not good. And so Father tonight, Lord, we just decree that all across America there will be a canceling of fraud. God, that you will move into each state and that you will release backbone, Father, in that state, in the governors and in the intercessors, pastors God, that you will release a backbone for them to take a stand against fraud Lord, within our nation. And so, Father, we thank you, God, for doing that. We thank you that we will see election fraud and corruption overturned even prior to this upcoming election. And Father, I thank you for it in Jesus name. Go ahead, Regina.

**Regina Shank: [00:02:40]** Thank you, Ken. Good to be on with everyone. The first scripture I had tonight was out of Ephesian 5. I think it starts with verse ten: carefully determine what pleases the Lord, take no part in the worthless deeds of evil and darkness. Instead expose

them. And so Lord, we decree today that those evil intentions and those devious deeds of darkness are being exposed by the power of your spirit. And then the Lord began to tell me that the handwriting was on the wall. And he took me over to Daniel, chapter five. And as they were celebrating, we know about Belshazzar, and he was celebrating everything. And then suddenly a hand began to write on the wall, and they began to get fearful because they didn't know what the hand said, They didn't even know what it was. And so they had to call on Daniel and Daniel six--uh, let's see what verses...21. says, most high God rules over the kingdoms of the world And appoints anyone he desires to rule over them. So we decree today, Father, that you were going to appoint those that you desire over them, and this handwriting is on the wall to get those who were doing these devious practices to be exposed, in Jesus name. And the handwriting had the word M-E-N-E Which Means numbered. God has numbered the days of your reign and has brought to an end. We decree that the days of those who are reigning and fraudulent for elections is over. We say it shall not happen again in this next election. The next word was T-E-K-E-L, which means, weigh. You've been weighed in the balances and not measured up. We decree that as well, that they have been weighed in their practices and they have not measured up and it will be exposed. And then partizan means divided. Your kingdom has been divided and given. And it was given to the {inaudible} and Persians. But we decree today that their kingdom that is not there legitimately is going to fall. I began to see as I was praying through this, I began to see what they had built, begin to fall and begin to shake. And I just felt this earthquake saying that the Lord was going to shake until it seemed like there was a quake going on in our political realm. And so, Lord, we ask you to do that, Father, that you would shake what can be shaken and father that they would leave their devious practices. Lord, you expose what is hidden in darkness. Father, we thank you right now that you are bringing that into the light. But you said on occasion that you can do that. And so we decree that, Father, that evil intentions will be exposed when the light shines on them, for the light makes everything visible. So to ask it now that you would find yourself shining your spotlight upon the father, and we decree that America will have a legitimate election, and those that have been elected by the people and for the people will have the ones that they voted for. Father, we cry out tonight for justice, Lord, for justice in America that injustice will no longer rule and reign. And Father, they are not reigning justly. They are not there legitimately. And Father, we thank you. Even as you had the handwriting on the wall for Belshazzar, the handwriting is on the wall today. And we're asking Father that they would fall and that you would have your people in places of authority in America. God, we agreed together tonight that there's going to be a shift in this nation. And this shaking has begun. The handwriting on the wall has begun. And you have weighed them into

balances and they have been found wanting. Thank you, Lord, for exposing devious deeds of darkness in America, and it will be prosecuted as well, in Jesus name.

**Ken Malone: [00:06:51]** Amen. Pat, you're on here. Go ahead.

**Pat McManus: [00:06:56]** Yes, sir. Ken, thank you for the opportunity to be with everyone tonight. And to truly stand as one as we declare over our nation: righteousness and righteous order. And as I was thinking about and pondering in the Book of Acts, and I know all of us have read it more than once, probably, but I kept on hearing how they were willing to stand and shake and cause things to be turned upside down by a positional place of influence. So, Father, we thank you that you are establishing the heart of the Ekklesia to stand on the promises of your word and to see a righteous order be reestablished upon our land. That Father, you will expose every form of fraud, every ungodly order. And that, father, that which needs to be seen, will be seen and will be seen from the mountaintops. Father, we thank you that you are releasing a true sound of righteous order upon our land. That, father, there's been the movement of the Ekklesia to stand as one to begin to march in order of your heart, to see the fulfillment of your plan permeate upon our land. For even as Tim would say, father, over the last couple of weeks, we declare, Father, that the dominoes are falling and the toppling of governing-- evil governing structures are coming down. And that father, the very root systems and structures that we have built our house on the King of Kings and the Lord of Lords, and they've built their house on the sand. So, Father, we thank you that the crumbling, and as Regina just said, the tumbling is beginning to happen. And Father, we declare that there will not be any mules carrying a fraudulent structure, that the animals will not move according to the purpose of their roar, that they will bow to the systems of the roar of the King of kings and the Lord of Lords. So we thank you, Father, that the dominoes are falling. We thank you the mules are not carrying. And we say that righteous order will be established and that which needs to come to the right side up or turning everything upside down will come into right order This day upon our land. And Father, we thank you that you are igniting a clear expression into the Ekklesia to march forward with the promise of your word as we stand and partner with the angelic hosts to see the toppling of a Baal ungodly structure and seeing righteousness restored. So Father, we thank you that you're exposing, that you will expose. You continue to expose. And Father, that which needs to be neutralized will be neutralized according to the purpose and promise of your word. So we thank you, Father, for it. And we give you honor and praise, in Jesus name. Amen and Amen.

**Ken Malone: [00:09:52]** Amen. Thank you, Pat. Hey Betty, come on here and tell us what the Lord is saying.

**Betty Love: [00:09:58]** Thank you, Ken. It's great to be here. Stand in agreement with everyone. We thank God for those that have joined with us tonight across this nation to add their power of agreement. This morning and again this afternoon, the Lord took me to a prophetic word that he had given on the 12th of February of 2020. I just wanted to decree that word and then just pray into it. But this is what the Lord said: I am dealing with corruption. I am dealing with darkness. I am dealing with a mesmerizing spirit that is captured the generation. I am dealing with the ungodly generational influence. I'm dealing with a political machine of secular humanism that has come to capture a nation. I am dealing with the political machine and the political bosses. influence is power. The Kingdom of Darkness has wielded its power over this nation. Now I will wield my power, says the Lord. The power of the sword, the power of the dragnet. I'm putting out an all points bulletin in the spirit realm and what is capturing a nation and the generations will be no more. Light be. it's my glory. Now let the darkness flee. I am lifting the lid and releasing my light. It is exposure time. Did I not tell you that I have gotten out my sword over a nation? God's decree. That was again in February 12th of 2020. So, Father, as you have brought this word to me several times today, Father, we set ourselves in agreement. And Father, with the promise that you gave through Josaphat: believe in the Lord, your God, believe and the words of the Prophet. And you will go over. And Father, we just want to acknowledge tonight, as Your Ekklesia, that you are the Lord of the United States of America. Father, we thank you for every true, redemptive, prophetic word that has been spoken over our nation, over these people. And father, even over the upcoming election. Father, we thank you for the Founding Fathers who established this nation in righteousness. Lord, your word says that you nullify the Council of the Nations, you frustrate the plans of the people. And tonight we declare that the Council of the Lord stands forever. The plaj of your heart from generation to generation, and the plan of your heart for this nation. Father, tonight we ask for a change of heart. And an entire renovation of the soul of this nation, through Jesus Christ and by the power of Holy Spirit. Lord, come and awaken our people and bring transformation. Lord, we ask for such an awakening that it will sincerely affect the heart and change the practices and totally influence the will of this nation. Father, remember the covenant roots and the ancient markers that were established in our land through the righteous acts of our forefathers. And Lord, tonight., We decree, let all manner of this destruction schemed by the kingdom of darkness and every evil plan of the enemy. Every place Lord, every device, every expectation of the enemy for

this country, be completely frustrated. LORD, We acknowledge that a mesmerizing spirit has sought to bewitch and capture the heart of this nation. And Father, tonight, on behalf of our nation, we repent for believing the lie of the enemy and giving place to this spirit. And Father, as Your Ekklesia, we renounce and break agreement with, bind and break the power and authority of a mesmerizing spirit, witchcraft and all occultic powers off of our lives, the people of God and our nation. We believe your words, and we decree all ungodly agreements and links back to the beginning of voter fraud in our nation are broken, null and void, in Jesus name. we decree that all ungodly structures and corruption is coming down. We take the dominion that you have given us, Lord, to tread upon serpents and scorpions to overcome all the power of the enemy and Father, we thank you that nothing will fail to meet the obligations of covenant to us, your people. So tonight, Lord, what has been set in motion in the past, we say let the exposure come, let those ungodly roots be uprooted, torn down and completely overthrown. And Father, tonight we shut the door on fraud and fraudulent election practices. And, Lord, we release your light and your glory, and we decree that all election fraud will be exposed and corrected. And Father, I'm in agreement, even as Regina came with that word I heard you saying today, "exposure, removal and unseating of all unrepentant ungodly authority governmentally and in each sphere of our society that is affecting our elections and our nation. And Father, finally, as Your Ekklesia, we decree the enemy will not usurp or take a seat of authority in any of the vacated positions or even as people are coming again again, Lord, let there be no time or resources that will work against your plan for our nation and for our election. And so, Father, we say, Lord of the Angel Army, we agree with the assignments of your angelic hosts and your warrior angels. Let them go forth victorious on their missions, running on your Word and Lord, we thank you that your angelic warriors are locating every evil establishment, evil altar, satanic seating of Satan in this country. And Father, we say again, as every other host has been releasing exposure, exposure, exposure. And Father, tonight we guarantee that nothing will thwart your plan for our nation. Your purpose in election and the elections of this nation will stand, in Jesus name. Amen and Amen.

**Ken Malone: [00:17:44]** Amen. Thank you so much for the word and the prayer. Really powerful. Becca, come on and share with us what the Lord has in your heart.

**Becca Greenwood: [00:17:54]** Amen. It's so great to be back with you guys and to be home on a Tuesday night where I'm able to jump on. And when I was in intercession today, the Lord highlighted two scriptures to me that I'm going to read and pray into and then begin to show me

prophetically a word to release and to pray into tonight as well. Well, which is so confirming of what everyone has already been saying and praying, but it says in Psalm 20 verses six through nine: I know God gives me all that I ask for and brings victory to His anointed king. My deliverance cry will be heard in his holy heaven by his mighty hand. Miracles will manifest through his saving strength. Some find their strength in their weapons and wisdom. But my miracle deliverance can never be won by men. Our boast is in the Lord, our God who makes us strong and gives us victory. Our enemies will not prevail. They will only collapse and perish in defeat. While we rise up full of courage. Give victory to our king. Oh, God. The day we call on you, give us your answer. So, Lord, we thank you that even from Psalms 20 verses six through nine, that our deliverance is coming from your mighty hand, and that no strength of man that is wrapped in corruption and deceit and witchcraft and wickedness will prevail. Lord, we speak to all corruption, deceit, witchcraft, wickedness, this deception that has occurred with election fraud, that it will fully be exposed and collapse. Lord, We say that it will perish in defeat, that all of this fraud will perish in defeat, and that there will be courage, the continued courage of the ecclesia anointed in the blood of Jesus, and the power and the authority of the Holy Spirit, Lord. To continue to press and to continue to decree and declare to see the schemes of the enemy defeated. And then he had me jump over to Psalm 92 verses ten through 11 and he says, Your anointing has made me strong and mighty. So I'm going to say this as a plural: your anointing has made us strong and mighty. You've empowered our lives for triumph by pouring fresh oil over me. You've said that those lying in wait to pounce on us would be defeated. And now it's happened right in front of our eyes. And we've heard their cries of surrender. And so, Lord, as I was even praying today in intercession, I could hear the sounds of surrender. I could hear the sounds of the deceit in the Spirit. I saw Lord in agreement with all that has been prayed here, and I'm going to say them again-- corruption, deceit, witchcraft, all in this election fraud that has occurred. where there has been a vexation in the spirit that has caused a slumber over the nation, Lord, we break that power of vexation. And, Lord, we hear the shouts of surrender in the Spirit as we continue to prophesy and to decree and declare your righteousness in the elections. And then the Lord gave me this vision and I literally saw a dominos on a table. And I know that we've all --a lot of us have been seeing this. But tonight, Ken, as I jumped on and near the end of your prayer and Regina started to pray, I had seen this vision of the dominos earlier today. But I also saw a scarlet thread that was going through the center of those dominos that was meant to hold them in place. And I literally, as I was praying and the Lord was giving me these scriptures, he began to speak to me that this scarlet thread that has literally pierced through those dominos wrapped itself around those dominos to hold them in place is literally

being pulled. That scarlet thread is being unraveled, it is being pulled in its hold and it's losing its grip and its hold. And as I saw that scarlet thread I then begin to see the table where the dominoes were set up begin to tremble. and the dominoes began to topple. And the Lord says, I am shaking All that can be shaken in order that the dominoes will not be able to stand woven by the scarlet thread of corruption and deceit and bloodshed and wickedness and witchcraft. And that the toppling of the dominoes is occurring. And the shaking that even the corruption has thought that they have caused will be the undoing and the exposing of the schemes that have been thwarted and released across this nation. So Lord, we thank you that it is a time of surrender of these enemy plans and that we are watching the defeat in front of our own eyes. And Lord, I will pray it and say it again. Our enemies will not prevail. They will not only collapse and perish in defeat while we rise up full of courage. Let the fullness of exposure occur and let the dominoes topple one on each other in order that your truth and your justice will be released. Lord, we rejoice in the victory that happened in Kenya. Lord, There were righteous leaders that ran against corruption. And Lord, they pressed through into a victory. So, Lord, we thank you for the glimpses that we are seeing around the nations where righteousness is rising and corruption is falling, even when corruption has been empowered by witchcraft. So, Lord, in agreement with all that Betty was praying, we say that vexation and that witchcraft, that it is broken and righteousness, truth and justice will come forth in the elections in 2022. Thank you, Lord.

**Ken Malone: [00:25:07]** Amen. Thank you so much, Becca. Great word and great prayer. Appreciate it so much. You know, the polls have now closed in Wyoming. They are still voting in Alaska right now and they are predicting that Harriet Hanagan? Is that how you pronounce her?-- Hagman is going to beat Liz Cheney, although it's not confirmed yet. But however, I think we need to pray for Harriet because she still has to face a Democratic opponent and we need to pray Alaska also, that there is a shift, especially in the Senate seat there in Alaska. We want to see a shift also in the governor's seat. And so I'm going to pray and then anywhere you want to jump in, you can. Father, I just thank you, Lord, for great victory in Wyoming. I pray tonight, God, for Harriet Lord as there's a possibility she's going to move forward as the candidate for that House seat, Lord, and just pray, God, that you stretch forth your hand into her life, in Jesus name. And God that you would bring Harriet great victory in the name of Yeshua. Lord, I pray for victory in Alaska. Lord, we need a shift in the Senate seat in Alaska. And so we decree tonight a divine shift take place in Alaska. We say, Lord, lose the voters, conservative voters in that hole state Father to change the direction of the state and also the nation. Father, give the

conservative governor great victory tonight. And Lord, I thank you for doing that, in Yeshua's name. If somebody wants to jump in, just jump right in. Thank you, Father.

**Pat McManus: [00:27:16]** Ken, I'll pray for the state of Illinois since I'm here. And Father, we ask for true righteousness to begin to be seen upon our state. And that Father, the fraudulent, ungodly government that continues to permeate and the corrupt structure that continues to radiate from our state. I ask Father, that you pull the rug out from underneath all the ungodly systems that have been established from many generations. And Father, we ask that the mafia mindset would no longer have a play in this state and that Father, there will be a shifting and a reordering according to the promise and purpose of your word. And Illinois will come into as we have a painting on the wall. It will not be called Illinois. It will be called Well-inois So, Father, we ask for a righteous order to be established. And Father, the man that we know that's running as a godly man, that he will stand firm on the promise and will be able to defeat this ungodly structure. And even as Ken prayed for the lady in Alaska, Father, we ask for that there will be a true shifting in the Senate seat in Alaska that Father you would cause a resounding, reverberating shifting in the culture that would truly establish righteousness in the Senate seat coming from Alaska. And we thank you, Father, for the turning and the shifting and the readjusting according to the promise of your word. And we thank you, Father, that righteousness will prevail. And the true sense of kingdom authority will manifest in Alaska as well as Illinois and other states across our land. We thank you, Father, in Jesus name.

**Ken Malone: [00:29:01]** Amen.

**Regina Shank: [00:29:02]** And Lord, I pray tonight that every occult covering that is keeping those deeds of darkness in the darkness will be ripped off, in Jesus name. And the witchcraft that is being stirred up in dark places, Lord, we decree right now that your light is going to expose every bit of that and we say no more occult covering. I began to see like a black tarp hiding devious deeds. And so what we say that black tarp of occult that's hiding what's really happening in the area of fraud is being pulled off now in Jesus name. The ex—

**Ken Malone: [00:29:58]** Amen. Well I guess I—

**Regina Shank: [00:29:59]** ...let there be light, And there was light. So we say let's there be light and there will be light that will expose this darkness, in Jesus name.

**Ken Malone: [00:30:10]** Amen. I'm in agreement with the light exposing that have caught covering and uncovering that. Anyone else?

**Becca Greenwood: [00:30:19]** Yeah. Ken for Alaska. This is Becca. Really want to pray? The Lord was just showing me the vision that I had when we were there several months ago when I literally saw the Alaska-- you know, I know that we all know that it's a gateway. But I saw this angel and I saw it standing over Alaska with the right foot in the mainland of the U.S. and the left in Russia. But in the hands of that angel, there were chains that had been fettered to the land, but it was broken. The angel was holding those chains that were broken. So, Lord, I thank you that that breaker angel that stands over Alaska at that gate of this nation, and Lord, the glory that is hovering in the Spirit and in the land in Alaska will cause the shifting of righteousness and governmentally and Lord that that shifting of governmentally of righteousness in Alaska, that it will be as that gateway, that north gate, Lord. That as it stands as that glory gate that that breaker anointing will begin to come from Alaska down into the mainland, Lord. And we speak that even and now in Alaska that the breaker anointing, the glory anointing that resides and hovers over that land and in the land and over the people and every First Nations decree, every apostolic prophetic First Nations decree that has resounded out across Alaska will shift Alaska into the glory governmental, apostolic, state and gateway that you have called it to be for this nation. Thank you, Lord.

**Ken Malone: [00:32:20]** Amen. Thank you, Becca. Anyone else have anything they want to prophesy into for our nation? Well, all right. We are just so glad you could be on here tonight. We bless you in the name of the Lord Jesus and just want to decree. Let not your heart be troubled. Jesus said you believe in God. Believe in Him also. He's going to change our nation and make a way for righteousness to prevail in America. We bless you tonight. Thank you for being here, in Jesus name. We'll see you next time. Thank my panel. Everyone else on here. Thank you so much.
