Clay Nash: [00:00:11] Well, good evening. It's 9 p.m. Eastern Time and we're on our call tonight. We're going to be pressing in. One thing that is very strong in my spirit, I want our hosts to certainly follow the spirit. But we need to keep battling through declarations and decrees and election fraud. We need to see our election laws stand tall on voter I.D. That is a no brainer. And in no way puts people out of place by having to prove who they are. Very little, if anything, you might be able to buy ice cream without a valid I.D., but it's very little that you can do today. It's required in every aspect and certainly should be required in voting. I got a report today. I don't know if it is true about the illegal swearing in of people to become U.S. citizens at the border. The person said to me, I'm not doubting your word, but I like to vet this out To find out if it's true. Some things can look a certain way and I'm still checking into it. But there is an agenda by the pro-communists, pro-debt, pro-liberal, pro-everything that this nation is not and God is not to bring in all of these voters because they know that they're losing the ability to be elected in any legitimate way. So we're going to be pressing into this tonight. Remember the call tomorrow at 222. I will go ahead and tell you on Labor Day Monday, Labor Day Monday, that would be the 5th of September, there will not be a call. I'm letting everybody know ahead of time. There's not going to be called that day. And let me just tell you, I appreciate every one of you, the Hosts, the participants, but you can pull together a prayer meeting out of your own influence and circle on that day. But there will not be an official prayer call that day. But if you want to be praying for me, I'm going to be trout fishing on the White River. And you can pray that I catch some big ones. All right. We're going to get started into our call tonight. I believe it's going to be a very significant call. And I've asked Regina would she open us in prayer and go first.

Regina Shank: [00:02:56] All right. Thank you, Clay. Good to be on with everyone. Lord, We welcome you to this call. We thank you, father, for those that are listening in. God, their hearts are turned toward you as ours are tonight. And we thank you, Father, that you are hearing our

prayers from Heaven. And Lord, you're exposing what has been hidden in darkness. And we're going to have elections that are true to what the people have decided. And we thank you for the call tonight, in Jesus name, Amen. I was really feeling like the Lord was telling me out of the Scripture in Luke 22 that arrogance is going to be what exposes the people who are in fraud. I was reading about Peter here and the Disciples and they were arguing among themselves "Who's the greatest?" And Jesus told them, In the world, the kings and great men lorded over their people, yet they are called friends of the people. But among you it will be different. Those who are the greatest among you shall take the lowest rank, and the leader shall be like a servant. And so, Lord, I pray that we will have leaders that will be like servants. They will not be arrogant and prideful. And Lord, we pray tonight that where there are those who have arrogantly felt that they can defraud the election, Lord, that you would expose them even as you exposed Peter's arrogance in this Scripture. And so, Lord, we just thank you right now that even as Peter said, I will never deny you. And Jesus said to him that you will, this is what you're going to do. And then we know that he did and the cock crowed and Peter realized what he had done. And so Lord, you exposed Peter's arrogance, that's your disciple. But Lord, if you're doing that, you're also going to expose the arrogance of even those who aren't your disciples. And Father, we ask that arrogance will be exposed, and I just hear the Lord say, their cock is going to crow and we are going to expose the arrogance that these people have in believing that they can defraud an election in the United States of America. And I was reading about humility in Andrew Murray's book. And he was talking about Jesus and humility that he walked in. And he said, I can do nothing of myself. My judgment is just because I seek not mine own will. I receive not honor from men. And Lord, we pray tonight that there will not be honor from men, but there will be honor from you in these elections, God. That man will not have his way. But you will have your way, God. And that you will have your will performed in these elections. And Lord, we thank you that you are full of light. There is no darkness in you at all. And Lord, I'm asking you to show up. To show up at every election place, God. And that your light would show up with other people. People that are possessors of your light. We are the light of the world. It's hard for us to say that, Lord, we know that you are, but you said we are as well. And so, Lord, I pray that your people will show up at these election places and the light within them will expose any darkness that is trying to happen in those elections. And so Lord, we thank you that humility comes before honor and that those who are arrogant will not sit in positions of authority in the United States of America. Lord, we put you in charge of these elections. We say, Lord, you are Lord of all, and we ask you to take your place as Lord over every election in the United States of America, and that you would watch over these elections and that your people would show up as well. And

Father, Those things that are trying to happen will not happen because Lord, you are Lord, and we thank you, Father, that those who are humble before you, those that hear from you, those that are appointed and anointed by heaven, will get those seats of authority in the United States of America. Be in charge of the elections, Lord, we pray in Jesus name.

Clay Nash: [00:07:14] Thank you, Regina. And, father, we just declare over every one of our Senate races and every one of the House races, we just declare, Father, that you are working on behalf of those who choose life. Those that want the Constitution to stand tall. Those that choose to close our border. Those that choose to move by the very will of God and not by their own selfish will. Father, we speak a release of Angel armies, and we speak a release of the angels that are part of guarding the justice gate. And we just declare justice will prevail in this nation. So, Father, we release your will being done in a very magnificent way. We bind up every work of darkness, every lie. Let the liars be exposed. Father, let John Durham bring forth exposure that will be like lighting a fuze that will burn until it gets to the very source of all of the corruption that has been set in place through the Justice Department. Now, Father, do these things in Yeshua's name. Amen. Betty, what's in your heart?

Betty Love: [00:08:49] Praise God. Thank you, Clay. Lord. Tonight we take our place as Your Ekklesia and Lord to the Church of America, to every believer, to the living gateways, we say, lift up your head, O Ye Gates. Lord, we are your living gateways and we are awakened in this hour as Your Excellency, and we lift up our heads and we, your ageless doors of destiny, lift up our heads, we decree king of glory come into our lives, come into our land, come through us armed and ready, O mighty One. You are invincible in every way. You are the king of glory. You are the Lord of victory armed and ready for battle. We declare that you are the mighty one, the invincible commander of Heaven's hosts. The glorious King. Lord, We release the power and authority of your Word, your rule and your reign into our lives, into our lands, into this nation of America, into our governmental mountain, and into our election processes. And Father, we thank you that even as Clay spoke, Lord, we are saying swift justice. Rule and Reign O King of glory in every sphere of influence, and yes, Lord, let your angel armies be fully mobilized to carry out your vengeance and the judgment written against your enemies. And Lord, every form of corruption, every form of election fraud or tampering, Lord, we say, let it be exposed. Let it be cut off in the name of Yeshua. And, father, we thank you that America is a nation saved by the Lord, and we decree: Yahweh's times are sure. out of every place of opposition, Lord, you will bring us victory. You will bring the victory. And Lord, today, Tonight, we say, even as your

righteous ones, through the righteousness of our God in Christ Jesus, your word tells us, righteousness exalts a nation. So Lord, we stand before you in the land that you have given us. And we decree and release the righteousness of Christ into our territories, our spheres of influence, our cities, our states, and our nation. Lord God, in order to bring your Divine will and your Divine Plan into this nation that healing, revival and awakening and reformation will come to America. Father, let your spirit of righteousness be released and established in us and in every place that you have given us jurisdiction. Let your righteous kingdom come and your will be done on Earth as it is in Heaven. Lord, let your apostolic prophetic anointing come and uproot, tear down, destroy and completely overthrow anything in our lives and anything in our land, any corrupt structure or anything that is trying to thwart your plans, Father God or to thwart your word, your will, or your way for us and your people. Lord, do the same in those that are poised for these elections. Thank you, Lord, that you are continuously sifting the candidates that are running for the election in 2022. Lord, in all parties, because Lord we are standing in faith, believing and knowing that promotion doesn't come from the East or the West, but it comes from you, Lord, Lord, we decree and we thank you that you are raising up a governmental leadership in this nation like we've never experienced before. We believe a people that you are going to raise up in this hour will be plumb-lined in righteousness and truth. A leadership that will partner with you and your Ekkesia that will be instrumental in the healing, revival and awakening and Reformation of America, In the name of Yeshua. Father, we decree tonight the short list of vans candidates is short lived. We call it to nothing. We agree and decree righteous rules. Men and women of integrity be raised up to hold these positions of authority who will carry out their assignments in the fear of the Lord. Father, those that are working behind the scenes, those that are trafficking in darkness, may the fear of the Lord come upon them and may you release your light that's going to expose. Lord, let righteous judges and leadership be raised up in our nation. And Father, we say again, thank you that you are dealing with corruption. Father, tonight we call forth the Josephs, the Daniels, the Deborah's, the Esther's, the Josiah's, the Mordecai's who have dealt with corrupt systems, corrupt leadership, who, like they have been seasoned and already prepared for such a time as this. Father, tonight we agree and decree that God ordained reformers who had been prepared like Josiah, are resident and present and on the scene now and at the appointed time, Lord, we believe that God will raise them up and they will lead this nation in righteousness. We call them into their God ordained, appointed positions prepared for them since before the foundations of the Earth. Lord let them be protected by the power and authority of your name and the blood of Yeshua that covers them and their families and those working with them even now. And Lord, we agree with your Word that has been spoken over

their lives and what is written in your book. And finally, Lord, we decree that the Ekklesia, the Church of America to every believer we say, even now, rise up and take your stand. And having done all to stand, stand. Father, we thank you that your times are sure for every word Yahweh speaks is sure and reliable. Your truth is tested, found to be flawless and ever faithful. So today, Lord, we come into agreement with your kingdom plan and purposes for these elections in November of 2022. And Lord, we thank you for your righteous reform on Earth as it is in Heaven. Let it be, let it be. Let it be, in Yeshua's name.

Clay Nash: [00:16:22] All right. Thank you, Betty. David, what's in your heart?

David Hertel: [00:16:28] I just had Florida highlighted to me. It's one of-- it's the third most electoral votes fruitful states behind California and Texas now. It carries, I think, 30 win or take all electoral votes. So, it's a real important state to have come under the winds of the conservative and MAGA Republican candidates. So just some of the challenges that God will deal with is the FFET committee with Florida's for America first, with Florida for America first, backed by General Michael Flynn and the America Project pointed out, there are numerous flaws, inconsistencies and violations of Florida's election laws that raised serious concerns about the election system despite Florida's successful adoption of election integrity legislation and Governor Ron DeSantis' establishment of the nation's first Office of Election Crimes and Security. The FFET asked election supervisors how often they updated their voter rolls, such as removing those who have died or moved out of the county. And unfortunately, the answers they received were this is the range once every two years, once every year, twice a year, every 4 months. I'm not sure. Their answers reflected troubling inconsistencies that have proven to elevate the potential for voter fraud. Also, it's one of 25 states that rather than having new voters register in person they allow third party Registration-- voter registration, meaning non-governmental organizations are allowed to register voters. And according to an official state website, there are hundreds of organizations of all political persuasions collecting voter registration throughout the state, which is another great potential of voter fraud. Most precincts also are projecting a shortage of poll watchers. So in the face of these issues, which would be unsurmountable except for God. But God has made a way where there seem to be none. And in Jesus name, we declare over Florida tonight, as the Ekklesia, according to Psalms 20 verse one through nine. Let that guide my prayer and declare I'd be the voice of the Ekklesia tonight that's agreeing on this prayer phone call. and we thank you Lord that you answer the prayers for Florida in the day of trouble, and may the name of God, the God of Jacob, defend its election

processes and cause them to have integrity and voter fraud, be canceled out. May you send Florida angelic help from the sanctuary and strengthen it out of Zion. May you remember all of its offerings and accept its sacrifices of prayers and praise. May you grant Florida, O Lord, a heart that desires your kingdom and to fulfill its purpose in your kingdom. We will rejoice in your salvation of Florida, Lord, and in the name of our God will celebrate it with banners. May the Lord fulfill all the petitions for righteousness at all levels of its governmental offices and positions. Now I know, Lord, you save, and you save those you anoint and you answer our prayers for Florida from your holy heaven with a saving strength of your right hand. Lord, some trust in chariots and some in horses. But we will remember the name of the Lord our God. They that reject God have bowed down and fallen. But we, your ecclesia has risen up to stand up and speak up for Florida. Save O Lord, our King. Jesus, Answer us when we call and advance your kingdom in and through Florida. In Jesus name, we declare Senator Marco Rubio shall win Reelection and Ron DeSantis Will win the Governorship again. And we thank you, Lord God, your kingdom Will come and your will be done on Earth in Florida, and we'll give you the glory and honor and praise. And as Florida is saved so shall America be saved, in Jesus name. Amen.

Clay Nash: [00:20:54] Amen, David. Appreciate that very much. I saw where Charlie Crist is qualified, I guess I should say, to run against DeSantis. We need to certainly hold that governor up. He is doing an incredible job. Pat, what in your heart?

Pat McManus: [00:21:15] Thank you Clay, for the opportunity to be with everyone tonight and just to stand as one. So, Father, We declare this day, Isaiah 22, that you are removing the Shebna's from an ungodly structure and establishing the Eliakim's in our land. That, Father, you are positioning those that truly govern according to the principles of your word. Isaiah 9 talks about the government of God is on his shoulders. Father, we truly align our lives to see the foundational expression of that which you've declared upon our land to come into right order. This day, Father, we declare that the Government of God will be established in a true essence of the power and glory of all that you are. That Father, we pray for DeSantis, we pray for the Governor in Texas. We pray for those that are standing on the principles of your word that they will declare that the Kingdom of God will be established in those in our land. Father, we remind you of your decree of the covenant that you've set upon our land from the very foundation of what Robert Hunt declared that this nation would be a light and a beacon of hope to the nation. That it would propagate the Gospel of the Kingdom of God to the nations of the Earth. So,

Father, we say this day, America, come into your right aligned identity. We say to the church or to the Ekklesia across the nation, we declare, take your responsibility and stand on the principles of your word, of the word of God, and declare the kingdom of God is here. We declare, Father, as we align our lives into the principles of your word that Father, we are declaring it for the preservation of our nation. Father, we stand because we want to see the generations fulfill their purpose and their destiny. So, Father, we say this day, let America arise into its right order. Let the mules be seen for what they really are and nullify the fraudulent marching that they move forward in and Father, cut the path and cause your glory to be seen. Cause that which needs to be exposed to be exposed in every way. And Father, let there truly be righteous justice upon our nation and preserve the foundation of the covenant of what you have declared upon our land. So we thank you, Father, that you are righteously ordering the steps of the Ekklesia, and we will see the turning of a nation for the glory of your name and the preservation of a land that will declare your glory to the nations of the Earth. We thank you, Father, and we give you praise, in Jesus name. Amen. and Amen.

Clay Nash: [00:24:05] . All right. Thank you, Pat, for that. Timothy, good to have you on. I know you've been traveling around the world. What's in your heart?

Timothy Carscadden: [00:24:16] Thank you, Clay. And to all the the prayer team. Thank you so much. Yeah, we've been in Europe and just to encourage Clay and all those who work on this prayer call, I was in Ireland ministering for Kevin and Rose Sandbrook and had a lady come up to me. I think her name was Diane, if I remember right. She said, I want you to know I listen to 222 call and I listened all of ya'lls prayer calls and and I was just so thankful. There are people even around the world that are listening and participating and praying with us for America. We're so thankful for that. And I just want to build on the integrity issue, the election integrity issue. Let's make sure we obviously, we're praying on it, but also be engaged. There is ways and there are ways to be engaged. I think, and David was talking a little bit about what's going on in Florida with that group. But there's also other groups. I heard a gentleman named Chris Connolly. I mean, Chad Connolly, who I've met before, and he runs a group called Faith Wins. And they totally got engaged in the last Virginia election and were key. They had over 70,000 conservative new voters. They registered, and if you know, the governor there only won by 66,000 votes. So, but one of the things they did, they put poll watchers at all the polls, especially former veterans and others, and they were able to, in Virginia, to able to throw out over 5% of illegal votes in Virginia just by having poll watchers. So, I mean, we want to pray that there be a

real activation within the Conservative Party and conservative people to stand. I was, I'll say one more thing and then I'm going to pray. I was a fly on the wall recently at a Democratic campaign Organizational meeting about how to get the vote out. And I was shocked both at the legal and illegal activity that they do and are proud of it. But one of the things that they focus on is mail in ballot themes. They were clear in this meeting. they didn't know who I was. I was just in the meeting. And they bragged. I'll give you an example. One precinct they went after just mail in ballots, and there was 1100 ballots went out to one precinct and they were bragging how they were able to get 900 of them in. And that's over almost 80 plus percent of ballots harvested brought in. And I'm talking about bringing them in. They go out and get them and bring them in and they target seniors. Seniors are the first people to get mail out ballots 65 and older. And so they target all 65 and older people to make sure, especially Democrat voters, and to target them to make sure those ballots and those votes are counted. So, those are some integrity issues. Some of the ways they're doing it is legal. They're just working harder than the conservatives. Conservatives tend not to get engaged. They make go vote and they go and have dinner and forget about the day and hope and pray something will happen that night. And this is where they have a ground game that's second to none compared to the Republican Party. And that is one of the reasons when we go to the polls, we're already lagging. We're behind by the time we get there because they've already cast most of the votes. So make sure that when we start voting for the Senate elections come September, October, remember, mail out ballots have already gone out. And these people are being either voting or somebody is helping them. And I had a dream during the Obama election. The last Obama election, I had a dream. And in the dream I saw people in a room filling out absentee ballots. It was a whole group of them. And then I saw this woman's face and I know who she was and she was overseeing it. The next day is watching news. And this woman I saw was in my dream, I saw her on the news and she was the head of the Democratic Committee in Florida. She's the head of it. And we prayed that that my dream would be exposed. It wasn't long after that they made a raid on a building and they caught people filling out absentee ballots. So we don't do the natural things. Church. Ekklesia. Those are on this prayer call. Please know, we can get engaged to ask God to give us prophetic insight on how to expose these things. And then let's pray and prophesy that what we've been shown comes to pass. When those spirits, those spirits of council and might get together, counsels is the Word of the Lord. might is the action of what God says. When those two spirits come together, there's transformation. And we can then believe for that. And I want to especially pray tonight also for the two Senate elections that are really in the balance. Rubio in Florida, he's behind polls to the Democrat candidate and also Johnson and Webster. He also is behind.

And so we really understand that we pray for those two states. So Father, right now in the name of Jesus, We lift up America. We pray right now that father that there be true revelation come to the Ekklesia, to the prophetic camp, Lord. That we would have insight to corruption, any corruption. And that, Father, you would give us that prophetic dream vision encounter and that Lord we prophesy to it and watch it be exposed. We thank you, Lord, that you love Justice and we ask for revelation to corruption. And Lord, that the ecclesia, from the youngest to the oldest, father. It doesn't take a prophet. It can be anybody who's crying out for justice in the earth. That Lord you would reveal to them, and then Lord they would take action and prophesy and decree what you are saying in the Earth. We pray that Father. We pray for movement in groups like Faith Wins and others that Lord are working hard to bring justice to state voting and each state's voting. And I thank you, Lord, that you would raise that up and let it grow nationwide. Let there be a movement of that in the name of Jesus. And Lord, we do lift up, especially the senatorial elections in Florida and Wisconsin. Rubio and Johnson both are trailing right now. LORD, we ask that these two men who have been stalwart and standing up for Judeo-Christian values and who have been voices of truth and justice in the land, we pray for favor to fall upon their campaigns. But we also, ask father, in those states, there would be a movement of your spirit, of the people of God to become active and engage and not only just pray, but do the physical things, give them prophetic insight. But Lord, we pray favor on them. We ask that Florida and Wisconsin awaken from a sleep and a slumber and Lord do what is right in your eyes. Lord, we thank you for that tonight in the name of Yeshua, Amen and Amen.

Clay Nash: [00:31:24] All right. Thank you, Timothy. Okay, everyone out there, you've heard the emphasis of the spirit tonight. Continue to press in. This voter integrity is such a key issue in November. We must stay on the wall. We got to keep our declarations and decrees very strong. We'll be here on the call tomorrow at 222. I want to thank our hosts that were able to join us tonight. But as always, I am so thankful for the faithfulness of the participants that are consistent and faithful to join this call, listen, make their declarations and decrees right there at their home but add their power of agreement. And just in closing, every time we do this call, we have someone out of all 50 states and we all out of Canada, but we also run anywhere from 9 to 12 other nations of the world. They don't give me the information of what nation they are, but I do get a report and we'll have anywhere from 9 to 12 other nations of the world that joined this call. Just recently talked with someone from overseas that they haven't missed it since we started it back-- any of these calls since we started back with CaVANAUGH. And so, keep pressing in. you're doing a great job. Remember coming up on Labor Day weekend, that Sunday night,

that's going to be the fourth. I'm going to be doing my 555 Father's Heart call and I'm going to be releasing Revelation about the Josiah Company out of a word that God gave me in 2019, about a 31 year reign of a Josiah company. So mark that on your calendars. Plan to join us on my YouTube channel to hear that. God bless you. Be on here tomorrow. We're going to finish this week strong and we're going to see this wall of corruption and injustice push backed. God bless you.
