

## **Words for Arizona**

**Arizona:** God enriches; God prospers you.

### **7-10-07**

Chuck: .We speak to Arizona and New Mexico today and say, "Cry out for God to come in." Father we say that the spirit of prophecy will begin to fall. There is a dividing spirit in Phoenix. Your love will begin to pour out on that region. We thank You for opening up the way for Arizona to begin to come to You in a new way.

### **4-4-10**

Chuck: Lands are shifting. The border between Mexico and California, Arizona, New Mexico and Texas, beginning in the west and going east.

### **Skyway Church 1-16-11**

Chuck: There will be an open heaven that will rest over this Church. Even though u r going through some things Gage what u r doing. Whatever is on your path to take you out u already have the strength to take it out.

The Spirit is coming in to hover in this place. He is going to hover over the campus. There will be strategies and divine meetings in this place. A new birth is coming here.

The glory will come and dwell in this place. Where tahr glory dwells you change.

The supply line over this region is now shifting into a new dimension- Go with the shift. Before you is the invincible structure or obstruction to your promise. It is a requirement this year to submit to move forward. My word will become liquid within you that it becomes your blood if you will meditate. Don't touch a thing they have because it's God's First Fruit. you must

become aware of the supernatural around you both good and evil.

Align the leaders of the Houses of faith. Faith will explode in a circle in this region.

### **12-1-11**

Chuck: There are many with authority that have ruled that know how to stop my plan for not only a state but a nation. I say to you tonight the administration of the spirit realm of all of Arizona shifts this night.

I say to this place called Sedona, "You will be as the time when Elijah shifted the administration of heaven so that it rained in the earth realm. You will see many; you will see many falling by the way side; many who are performing miracles even as in the days of Moses and from that day forward into Jezebel's day. You will see those beginning to have no power and My people being sought out for power. Allow Me to administrate the power of God that I have released into Arizona and from this stronghold place, create a new form of worship. There will be a time when 450 come to this place that are My people and My prophets. They will gather into this city and they will worship Me violently for 3 days and by doing that the borders of America will shift completely. "

I say to you that are here, "You will be the first fruits of My shaking. I will shake those with sound so that sound abounds. I will shake those with gifts so that gifts are unwrapped. This is the beginning in a place that is desert and known as "Arizona" of an oasis beginning to arise." I say to you, "A new move of God will come into this state. Watch and watch how I begin to birth a place for people to drink from. There are people who carry water here but there will become places where people can go to and drink."

I say, "The economy that has been so dry and in drought will begin to take a shift by April." I say, "Things are beginning to change and because of this gathering tonight in this place that I chose for this gathering to occur, I decree from heaven, a new administration, a new government and a new kingdom thrust in the land called America is released this night."

I say, "California will shake. Maine will rise up and you will hear a word coming out of Maine that penetrates down through New Mexico and Arizona; that shakes loose things in Texas and causes Nevada and Utah to come alive in Me."

I say, "The sound from California will shift into a new mode. Worship will come alive in a new way and media will begin to shift from the state called California."

I say, "Tonight you gathered with Me to witness not only a shifting of talents, where your talents can express themselves as was expressed in the art work, but also the gifts in My kingdom will now begin to align in an accelerated form and borders in America will change and there will be conversions on both sides of the borders and harvest will rise up in the midst of Arizona and what would have exploded will now become a great light to the nation."

Father, right now I ask You to untie and increase the gifts of God in everyone who gathered in this meeting. Father, I decree now, from this night forward, they will be able to ascend into the heavens beyond any place they have gone. They will have revelation of unlocking. They will have the ability to express Me in ways.

### **5-20-12**

Chuck: Now guys hear what God is saying this summer there is a war over water whatever state you're in, whatever nation you're in there is a war over water. Water is deep down in us if you

have given your heart and allowed Holy Spirit to come in the Bible says there is a well of living water that can rush up into places and move you into a fullness of God's plan. California you will have a war over water this summer. You will have a war over water in Arizona. Nevada there will be a war over water, Mexico get ready for the war is coming over water. I say to you in the Home Land Security watch for the war is now shifting to the water.

### **1-30-13**

Chuck: So this year is linked with rain. I was telling them just in Starting The Year Off Right in Arizona with Worship in Tucson which we had a great crowd like this. And in the midst of it the worship team I looked at them and said you bring down the song that's in Heaven for Arizona and they came within a 45 minute period with a new song called Desert Rain. And then we decreed as a sign rain would begin to fall in Tucson that was a sign to all of America and God people over the desert being watered. And notice on the news Tucson has never flooded the way it flooded in this past week. See when you unlock Heaven Heaven's gonna penetrate into your earth realm.

**5-19-13**

Chuck: See God's not gonna forget the double portion over this region He'll never forget it. It's in His heart He spoke it. He spoke it about Alabama being the first state that would rise up be so filled with God's glory, it and Arizona that's why I came to these two states. This state would be so used by God that is would affect an entire nation.

**6-22-13**

Melinda Richardson: This morning I heard the Lord say out of Daniel 10:12 that I have come He sent angelic hosts to come because of the mere words that we spoke that we released and

decreed in the atmosphere. He said because you set your heart and your mind to gain skill and understanding I've now come as an answer.

So we decree and declare in the States of Arizona, New York, New Jersey, Delaware and Pennsylvania there has been a cry that God has heard. The River is now forming, flowing and know that the angelic host that has been held back today is a day of increased angelic hosts, angelic activity will move. Open up your heart, your Spirit man and you're ears to receive because he's standing tall and strong. The Lord of Hosts has loosed and angelic being and angelic hosts to move on our behalf. You'll watch un-precedent healings and wholeness as your dream. There's a wholeness coming out of this because that's the answer. Our words have now aligned with the righteousness of God Himself and we will now see the answers to His words being manifested here in Jesus' Name.

**5-28-14**

Chuck: Chuck Pierce: Now let's decree over the Western part of the US, California, Arizona particularly let's decree that the shadow of that fire will be extinguished by the shadow of the Holy Spirit. See fire will come until the Holy Spirit rises up touches into the atmosphere and the shadow of Holy Spirit overshadows the fire and brings rain down. Father we say let the people arise, let Holy Spirit rise up from the earth in California. In Arizona, in Nevada let Holy Spirit rise in a way that the shadow of the Spirit of God overshadows the fire and produces rain!

**3-1-15**

Chuck: The Lord would say I'm going to be moving along the West Coast I'm gonna be coming down and the waters will begin to churn. I'm gonna churn in Alaska, Hawaii, Washington, Oregon and California. I say there's a Move that I'm funneling in even the resources are going to be restructured along the West Coast. And then I say all of those that receive the Next Move of the Oil of My Anointing I say I'm going to send that Move, it's gonna come it's gonna be moving underground through Nevada, through Arizona, through Mexico. And I say there will be an explosion here in the center that causes that Move of God to unfreeze the East Coast saith the Lord.

**1-21-17**

Chuck Pierce: Seven years ahead. Showed Arizona first. How will America change? America must learn to play the trump card.

Here I am on the Day Trump is inaugurated, in the first state He showed me! First state after we played trump card, Arizona.

What is God saying, HE IS CREATING BEACHHEAD HERE.

You will create a stand, move forward and create entry point for Victory to occur.

Wear Joseph's coat today so whatever structure of Babylon is coming against, we will come above.

This will spread to a new generation, released to leaders of state, Will be known Arizona became beachhead and used favor to become starting point for the nation.

Four whirlwinds on each corner of Arizona. Looked like it could be caught up like Dorothy's house. But they didn't remain on the corner.

Many iniquitous thrones on borders, it's changing but not changed yet.

Arizona was the whirlwind state for His Glory to come upon, there was explosion of glory and iniquities could not stand under the explosion occurring in Arizona.

Judah has to be preeminent in Arizona. Apostolic tribe that understood how to use sound to go to war.

"You will create a sound, moving whirlwind, that causes such movement throughout this "God said I'm making a new cycle. Tonight in Arizona, a new cycle over you, over this state, inthis nation, that will bring you into a plan of fullness you've never seen before. I will causeJudah to go first, move you into a place you've never been before.

Weakness and lack, on you, dwindle and dwindle again, eaten away covenant blessings, they start breaking tonight. I decree eye of God is resting upon Arizona to produce a fullness of His glory, Let me rearrange your narrow way of thinking, border war state of nation. Show reality of borders, removing narrow borders in minds and hearts of people, example of Arizona. Create movement and through process awakening and Judah will rise and go first. Judah sang and displayed the glory cause nation to be jealous of glory. Jews awakening.

Lord I have begun to make a new cycle and lack will not be able to stop you!

The word over Arizona, is "beachhead." Starting today, create beachhead in this nation! In this state! Gain authority in, established in, move in and out of.

Revive us! Refill us! Restore us! Remantle us! Create a beachhead here in Arizona!

#### **10-4-18**

Chuck Pierce: I am here to say to Arizona, "Call forth the watchman and prophets and tell them to arise!" So that says there is going to be a new movement prophetically.

The will of God is an explosion of Gods glory in Arizona.

Now, there is something about to happen in Arizona that is going to shake this nation.

The Spirit of God is coming. I look back when there was an explosion of the Spirit in the late 60's, early 70's, it turned everything upside down. The church was not ready for it. The church didn't want it. I don't see that happening this time. I believe we are prepared. I believe here in Arizona you're prepared for this.

For I am here to announce in Arizona, you are the first state that is going to turn back the battle

at the gate.

I don't know anything about your government and what's going on here in Arizona, but you about to become a model. And something is going to happen in this state that we all need to take you as a sign to come.

I want to say 3 things, in Arizona that is about to explode. There is something you are doing in us that is that is about to be birthed, and there is a creative sustenance ability in each one of us that is going to be unlocked.

### **3-12-21**

Chuck Pierce: First state God showed me was Alabama – in this state Alabama had a glory dimension that came out of it. The was the first state of awakening, it had this Glory dimension, it covered the state and then it went out to the nation

Second Arizona- had a glory explosion in it, it was like glory tornadoes coming from the outside and then there was an explosion that occurred of Glory that covered Arizona.

Of course, there is always the throne of iniquity, that the only way they will fall, is for a new dimension of glory worship to come thru Judah in a state

Then there of course is Alaska, Alaska had key places, it was vast, it had a new horizon forming on it. If you remember, it was called the beginning and the end of the nation.

And Alaska I say let the beginning occur.

I have watched you transform thru these years, let the beginning occur.

Don't forget Russian would like to come thru and stop your movement , but God will form that Glory highway thru you , it will I connect with Arizona.

I see a movement of Jewish people, I see a movement all the way back to Israel, with these three states aligning.

### **3-11-21**

Robert Roehl: Trying to get our footing because the ground was rolling.

It's like I saw Kent , it was like you stepped into it, it's almost like a new movement pattern that you started sensing on the ground.

I saw each one of us just start stepping into the roll and I heard the Lord saying, this is a new day and a new season, but how you functioned before He says, he is causing us to step in to a new place and a new realm. Whereby He is opening up the heavens and pouring out a blessing in the land of Alaska, Alabama , Arizona, and it's not contained to our three states but I was hearing Him say, step into the roll of my wave, step into it and see what I will do in this land and with you.

Mary Glazier: And there is three-fold cold that He is forging between Alaska , Alabama, and Arizona. For God says He is going to call out of that dry land of Arizona , He is going to cause a new fire and a new flow of Holy Ghost oil of God, for there is a golden oil , that is locked up in Arizona that will yet pour out and that state will take a stand in the nation in a way that will shake even the political arena and especially those that are hungry for the fire of God.

For the Lord says that He out of Alabama will come miracles, miracles miracles for you called a

state that is carrying miracles in your belly and you will be involved in the miracles you have never seen before.

For what flows out of Alaska is going to impact Arizona and Alabama in a powerful way

No date

Chuck Pierce: Wow! Now remember last week we started prophesying about the West Coast, Washington, Oregon. Let's continue to prophesy. The Lord would say I'm going to be moving along the West Coast I'm gonna be coming down and the waters will begin to churn. I'm gonna churn in Alaska, Hawaii, Washington, Oregon and California. I say there's a Move that I'm funneling in even the resources are going to be restructured along the West Coast. And then I say all of those that receive the Next Move of the Oil of My Anointing I say I'm going to send that Move, it's gonna come it's gonna be moving underground through Nevada, through Arizona, through Mexico. And I say there will be an explosion here in the center that causes that Move of God to unfreeze the East Coast saith the Lord.

#### **12-21-14**

Anne Tate: Now Lord we thank You for the angelic presence that has just come in. We thank You for the angels that are working with each person who needs a miracle. I say Lord that we don't work by ourselves we work in context with the Holy Spirit and with the angelic assistance that You've sent us. Lord I see You sending angels out of here. I see them being deployed right now into the atmosphere and going into Arizona, going into other parts of Texas. We say that the miracle working power is being released in Mexico.

#### **From report on Beersheva gathering filed 10-11-10**

Comment by Chuck: Vision given caused us to understand that Arizona would be the State that would affect our legal structure the most in the US.
