Drive the rocks in that state that have hindered Your planting in the past to the surface. This is the season that You are putting Your finger on the fault lines in the rocks in Arkansas. You will dig deep, pull them up and build a hedge against the little foxes that have spoiled that state.

12-31-09

Chuck Perce – “Watch for Arkansas will become a sign of the upturn and the turning upside down of the land. From Arkansas I will uproot Freemasonry. The eye that has released watchers throughout the land will now be as a sign upturned. In eastern Oklahoma get ready for those in Arkansas will run to find My Spirit and My help from you. Gather; gather; gather in from Arkansas those who hunger to know Me. My glory will fall in eastern Oklahoma and the Cherokee nation will begin to rejoice and be heard again throughout the land. This is a time that I am blowing revolutionary seeds from heaven. You have thought America and nations of the earth had lost its Kingdom revolution but heaven has kept those seeds for now. When I re-pollinate the earth with these revolutionary seeds, you will see revolution change nations.”

from the Ohio to the Red to the Colorado to the Missouri to the Mississippi from New Orleans all the way up to Minnesota we declare that the Father of Waters today is breaking out today and releasing His confluence. And that every restriction across the heart of even this Nation that into the Valley of Decision that there are decisions that are shifting that doubt is being removed that faith is arising that manmade structures are being moved out because the Father of Waters is breaking through with His confluence and His overflow through the whole valley of Mississippi, Arkansas, Louisiana, Iowa, Missouri, Wisconsin, Minnesota all the way up in Jesus' Name.

6-30-13

Chuck: And God says to Alabama and Arkansas when the glory processions go back through the strongholds of where racism and anti-Semitism ruled I say to you I will overturn structures that are still waiting to rise up.

3-30-14

Chuck Pierce: And the shakings of the land are a sign for what will come forth for the land must give up what it's held back in days ahead. And the voice that's been captured in the land I say will arise and be satisfied. I will shake across Oklahoma and I will shake across and into Arkansas and I will shake into Missouri and even that Arch will become a doorway for this Nation. I say to you the changes are happening now!

HAPN 10-30-14

Chuck Pierce: He would tell Ruby you look at Arkansas and you start at the east and see what is really there and what has gone on there then you look from there all the way around because I want the Glory to come in through the east.

3/06/15

Chuck - It is a time of rededication of Arkansas. This is beginning of new supply lines an unlocking of new supply lines. God wants the captivity that has been holding Arkansas to be lifted off! God wants to break off the grievances off the land. The government will now begin to be rededicated. God is going to resolve some issues that have prevented you for receiving what He wants you to have. Arkansas, the people of God and the move of God are going to start shifting. Make a determination to move with me in a new way. We are going to be whole in Arkansas

8-12-16

Chuck Pierce: Arkansas is in a danger zone for the next 6 months. In the danger zone the real issue is to bring his presence into this state or else what emanates from this state will take us in the wrong direction.

Who ever gets this next rule is going to have to know when to say what they say or we are not going to see this thing overturned. Father we say right now You are going to put a guard on the mouth, Lord, You

send an angel from Arkansas to guard the mouth of that which will play the trump card that turns this nation.

How is the fig tree in Arkansas? When Jesus was hungry and saw nothing growing and wasn't producing the fruit. Asked... will Arkansas accomplish what you are calling it to accomplish?

The Lord said so clearly... I am going to set Arkansas to war against the infirmity in this land. They will overcome the infirmity that is trying to rule this land. Infirmity will not rule in this state any longer. I will bring in the provision necessary to overcome that which is lacking in their rule over the weakness that has been in that state. So your past is already being worked out and you are going to overcome the spirit of infirmity. It will be recorded of break out miracle healings in Arkansas. Where people have come for diamonds, they are going to come for healing.

Something is happening right now where the fertilizer of heaven is going to be brought down all over this land. Because of that you are going to go through a new type of growth. It won't be like Walmart went through. It will be a different type of growth structure and it will be known of the opportune structure that has come out of Arkansas.

This was the last thing He said to me. He said "I am going to give you such favor to break all of the captivity that has come from this land." In other words favor... what goes on in Arkansas so that captivity in any form from the past season will not continue to manifest.

He said there is truth down in the ground in Arkansas that has been covered up and over these next 6 months I am going to start uncovering the truth and My people will have grace to deal with the truth that comes out in Arkansas. My people will be a people that will cover and extend great grace. They will not be haughty for what is exposed in this state but they will begin to see truth spring forth out of the ground of this state.

From the fruit of the tree leaves of healing follow the river. I say where Arkansas and Mississippi meet there will be an explosion. I say the river in Arkansas will be filled with healing and it will flow through the Mississippi delta.

I think there is an anointing coming forth in this state that is amazing. And He took me over after I read Psalms 85 to Joel 2 and He said the land called Arkansas will rejoice.

This is the beginning of a movement in Arkansas. The beginning of new fruit springing forth. The beginning of trees that could not be brought forth to be brought forth. This is the beginning of an explosion of the leaves of healing in this state. We say ...The movement from this day forth will be filled with fruit, filled with healing, and the joy of the Lord will manifest throughout this state.

6-29-17

Dutch Sheets: Lord, I pray for a rushing, mighty Wind to begin to blow through the State of Mississippi – not only Mississippi – Arkansas, Louisiana, up north through Kansas, Missouri, Iowa. All through this Mississippi River basin. I ask You for a strong wind to come. We have smelled our death. We have recognized our strongholds and our sins that

have defiled the land. We have repented. We now take You at Your Word that it is time for the key – the gunk has been removed, the veins have been unclogged – and we are asking You to give a smooth lock, and when the key of intercession and the key of prophetic decrees and the key of Kingdom authority, the authority of the King, goes into the lock that the door opens and something supernatural happens in the realm of the Spirit, and the rushing, mighty Wind of Heaven, and a strong River of Glory rises up out of the ground in Mississippi and begins to flow across this State and to the nation, Lord!

8-16-19

Chuck Pierce: When that happens here, it will be a sign for the entire nation. And when the canopy of glory comes over Kansas, get ready Colorado, you're going to shake. Get ready, Iowa, you're going to awake. Get ready, Arkansas, you're going to be uncovered. A lot of things will be re-dug there. Get ready Missouri, no longer will the spirit of division keep you from seeing what God is longing to bring forth in our midst.

9-25-19

Chuck: You will start being used as a troop to dance and worship and go where God tells you to dance and worship, and it will restore the land. It will cause the power of racism to let go. East Texas, Louisiana, southern Arkansas – I Am ready to deliver this land from its chaos. Get ready, muster your words...you are going to say what this nation needs to hear.

9-28-19

CP: Lord, we speak it into China. Let the fire come alive, from the martyred church. We speak it into the early places where Your apostolic centers were...in Philadelphia, in Sardis, Thyatira, in Ephesus, in Pergamum. Lord, we say "Let the fire of God arise again." We speak it into Turkey, that has grown cold. Lord, send a strong breath down on Turkey. We speak it into Arkansas and we say "breathe on those bones." Wherever you're from right now, speak it and decree that that place will come afire. We speak it into Detroit over all that has gone on there, over the last 30 years, the calling forth and reconciliation. Now, let the fire of God come. We speak to Omaha, that gate to the west. We say, 'let the fire of God go through that city'. We speak to Georgia, to Atlanta and Savannah and say, "You've burned before but you've never burned like I'll set you on fire."

2-28-20 Recalibrate Arkansas meeting

Dwain Miller – Holy Spirit says from the Little Rock I am building a cornerstone for as goes Arkansas so goes America. I will align every state in this union from this corner stone and I will shift the atmosphere over the capital of this nation. Because of what happens here this weekend this shift will pull the lid off of Washington DC and the Lord says I will expose the reality of the true Hamons and hang them on their gallows this year. And the Lord says I will do this to vindicate Hannah which means grace. I will rain down

on this nation and I will demand a million souls out of the kingdom of darkness for that one child's life and reward the man and woman of God for the price that they paid. We know that Hannah is with the Father tonight and she is interceding for this meeting.

We declare tonight that America is shifting on this leap day. America is shifting and the heavens are being torn and rent and the grace of God is raining down from the throne on America. The hand of the Lord is stretched out.

Clay Nash – Presenting gifts to Chuck and Dutch from Arkansas – Told about his dream about a wet stone that was precision for putting an edge on a knife. Arkansas has a wet stone that no other state in the union has and they are coveted and so we had two knives built out of metal and material from Arkansas with wet stone to present to you because the Lord said that what you are doing through the Time to Plow, The Appeal to Heaven, and all the meeting around the nation is putting a fine edge on the sword of the Lord. We honor you with these. Isaiah 49:2 was read.

Continue to put that fine edge on the Sword of the Lord so that we can see the enemy routed and the ancient markers of the Lord restored across this nation. We bless you for the words you have spoken over Arkansas and we declare there is a shifting here. We bless you from the State of Arkansas and we know our edge is going to be sharper tomorrow.

Chuck Pierce: Arkansas has always had a prophetic anointing on it but it has always had a ceiling over the prophetic and the Lord said and I am here to announce to you going in this era that the prophetic ceiling that has been over Arkansas is getting ready to break. That means we are going to hear the voice of Arkansas come forth. It also means that we are going to know the heartbeat of God about a situation and we are going to enter into a dimension we have never been in before.

Here is where I want to be prophetic. When I started praying about this meeting this week I actually saw an angel of war standing here in Arkansas. What I saw was an angel with a blow torch. Tell somebody you are about to be lit up in a new way. I said Lord, what are you showing me? It was almost like this angel was a welder and was about to cut a new form of the body of Christ but not just the body but of the government here in Arkansas. It had to have this fiery torch to bring you into your next season.

Then there is Arkansas. (Referring to a power point slide of a map) When I looked down in the middle of it and it's not a wheel. It looked like a wheel but it is like something you turn on a pipe line where all of a sudden everything starts flowing out of the pipeline. This thing was right in the middle of Arkansas and it was sealed. The Lord showed me that in the third year this thing had to start moving. It had to start turning because darkness was being held in place by it and once it was unsealed a gusher would come up out of Arkansas that would begin to water this whole nation.

God said this meeting tonight is an unsealing meeting. It causes the seal of the future to be broken starting here in Arkansas and it will flood out across this whole nation. God is ready to unseal and turn to start the motion turning in Arkansas that will allow the gusher that has been corked up to come out and when those rivers flood it is because you have turned the seal.

Watch when the rivers flood because this will be the beginning of a major move coming out of Arkansas.

I want to set the bloodline of Jesus Christ of Nazareth over this place and I say that bloodline is protecting the move of God that is going to come out of this state and to move in this nation. Lord, I decree right now that what has been sealed up and hidden in this state that the seal is beginning to break now. I decree that the strength of turning is coming upon the people of this state. Now hear those words. I say that you will begin to turn and cause a turning in this nation from this state. I say that though you have endured many tests. Now get ready for you are going to unlock and where darkness ruled out of the seal of this state (I am saying what I see coming down out of heaven.) I say to you, I have sent a warring angel to help you cut loose that seal and I say to you where the seal of this state was unable to come forth and represent who I am, I say tonight begins a movement in this state that causes a turning of an entire nation.

Dutch Sheets: I have felt for some time that there is a bullseye on Arkansas and God is focused on this region and He is going to do somethings here that will impact the nation incredibly.

We speak over Arkansas that You are sharpening the knife of Arkansas. You are giving them a very sharp sword and awakening in them revelation and causing gifts and faith to come alive. We just decree and declare very boldly that revival is coming to Arkansas. A great awakening is coming to Arkansas. Geysers are about to spring forth in the spirit in Arkansas in Jesus Name.

Man (Tom) - A couple of weeks ago the Lord showed me a plumblin dropping and there was no longer a grey area. I meditated on that word until two weeks ago the Lord said..You need to take a new plumblin to Arkansas. So I ordered it and then He said to put a red cord on it and make it twelve feet long because I want to lower a plumblin into Arkansas that tells them there is no longer any grey area. I drop a plumblin and now you are realigned. When it drops it is only life and death, only blessing and curses, only righteousness or unrighteousness. The Lord says, I am dropping it now in Arkansas and I am piercing the ground with My plumb and by piercing it I am opening up the floodgates, that which has been stored. I am opening up the geyser and that which will release life and not death. I have this night declared that I have annulled your covenant with death. I speak life now evermore in Arkansas and from this place to every part of the nation.

Clay - I am going to give you the 12 feet of that cord. It is the first 12 words of the Arkansas Preamble. We the people of the State of Arkansas, grateful to Almighty God.

Jacque Tyer - This afternoon when I got into Little Rock I was asking the Lord what He was saying. I heard the Lord say the heart of the United State rooted here in Little Rock, Arkansas has been in AFib and as I did the research the Lord said, I am ready to recalibrate the heart of America out of Little Rock. The heart has lost its proper rhythmic cycle. It has suffered under the lack of care from high levels of stress and pressure, over indulgence, abuse, generational defects and infections over the years, but because of the intercession and diligence of the remnant warriors to address these issues, the time has now come to reset the rhythm so that the heart can beat strong once again and cause the blood to flow to reach the nation to bring regeneration even to those places that look as though it was hopeless. Then I saw places in our nation that look hopeless. I saw the streets of San Francisco, I saw Chicago and

Detroit. I saw the inner city of Atlanta where I am from. I saw places, the little towns and everything in between that absolutely look hopeless but I heard the Lord say that as the heart begins to beat in the fullness of strength the blood shall flow and bring life again into the streets and cities of this nation.

Betty Love - As we were traveling into the city and coming down Shackleford we were at the top of a hill I could see at what looked like a bowl to me and in an open vision I saw a giant scribe lie you would mine for gold and I heard; I want to live, I want to give, I will be a miner for a heart of gold. So when we started down the hill into the valley I looked to the left and there was the Eagle Bank and the Lord says; Arkansas, you need to take it to the bank, the Apostolic bank, because the apostles and High Priest of your faith, and His name is Jesus Christ, has made intercession for you and the verdicts have come out of the heavenly realm into the earth and the wealth that is stored within you Arkansas is coming alive, is coming alive, is coming alive! All creation is groaning. What was that voice that said I want to live, I want to give? It is your state. You are coming into a Kingdom alignment and an assignment that will awaken the heart of the nation. I want to live, I want to give and you will and this nation will be shifted and forever changed.

Woman - As we stood in the back I saw heaven open and angelic beings began to pour glory. It was liquid gold they were pouring out of the heavenly realm. I began to come into agreement with the words, the messages, the rhema, the true prophetic words that have been released in this place and the Lord said; Harvest, harvest, harvest, manifestation, manifestation, manifestation on earth as it is in heaven and it is going to go out from this state and saturate the nation.

Man (Randy) - I saw the Lord with both feet planted securely in the middle of Little Rock. He was standing up and there was a river flowing out of His belly. I saw that river of life coming out of His belly and he was spewing the walls and fortifications set up by the enemies in Washington DC. As I watched this, I heard him say; I am converting the walls in Washington DC that he has built for his own protection into his own prison.

Regina Shank - Several years ago I was with a team who came to Arkansas and we dealt with the strange fire of Free Masonry in this state. I am here to decree that the strange fire is being removed from this state and that the false apostolic that has even influenced Washington DC is being brought down in the Name of Jesus Christ. I decree in Arkansas that the true apostolic is rising up and there will be leadership that will bring this state into its destiny and from Missouri just north of Arkansas I want to decree out of Psalms 24. When we deal with the false fire we can ascend the hill of the Lord and we can decree something that will be established for us because we don't that false fire anymore. I want to say from the State of Missouri; Lift up your head you gates. Be lifted up you ancient doors. The King of Glory is coming in here. Who is this King of Glory? The Lord of Host, the Lord strong and mighty in battle. Who is this King of Glory? The Lord God most high is coming into Arkansas and you will see the glory of the Lord in this state and it will affect Washington DC.

Chuck - We want to bless our Senator, Jason Rapert, with this mantle which has clocks on it and I want you to take it back to the State Capital and when it goes back that thing that is sealed will start being unsealed. And the Lord says; What is under the ground in this state is going to come forth like a geyser and it is going to create a new movement, a new sending, and a new power. I say to you, the seal of this

state is being redone and what was sealed up is being unsealed and now the geyser of revival will come forth in this state. We bless you and we say you wear it in perfect timing, and we say the time is now in Arkansas to affect the nation.

Clay - In 2016 in Jonesboro, Arkansas I went into a trance in front of everyone and in the trance I saw a pow wow on the other side of the river on a big rock and I saw Tecumseh there and I saw tribes coming from all over. As I came out of the trance I prophesied this word. There is a big rock setting on the little rock and the big rock had to be removed and so the geyser of God would be released. Some of you were in that meeting. The Lord spoke to me tonight. He said the big rock is removed.
