

Words for Hawaii Comprehensive

Hawaii Motto Declaration: The life of the land is perpetuated in righteousness, which only comes from God.

12-31-09

Cindy – “Hawaii, the islands of the sea, will rejoice. I am doing a thing that you cannot imagine for the state of Hawaii, even as I have said would be the first Christian state. I am coming to do a work that is beyond imagination, greater than you can dream, greater than you can imagine. I am going to sweep the islands with My glory. Oahu is going to begin to experience a visitation. I am coming. I am coming. I am coming by My Spirit.”

1-2-10

C.P. Alaska and Hawaii are key for this season. God is taking the end and bringing them to the forefront of government and order for this nation. Grab the tail (of leviathan) and blind the eye. Hawaii is rising to a new place of authority to become the gate of this nation.

2-2-10

Anne: There was a darkness that came out of some of the Pacific coastlands. There was a darkness that began to move across the face of the deep in the islands. The Lord says, “This is a day when I am causing light to move across the coastlands of the Pacific Rim and the waters of the deep.” I see a light moving and going across all of those islands down into New Zealand, everything between Hawaii and New Zealand. The Lord is beginning to move. His light is beginning to wave over them in a new way. The Lord says, “I will send the light. Arise and shine for your light has come. A new day is dawning in the Pacific. I am sending My carriers of light. I am sending my buckets of light. I am sending My sword of truth and I will rule in the gates of the islands. The enemy will no longer have rule and dominion over the islands. I am sending My light in this day. Arise, shine for your light has come.”

5-10-12

Chuck Pierce: And I say to you unusual weather patterns will arise in the South. So I say watch the southern tips, the southern tip of Florida, the southern tip of Texas, and the southern tip of California, the southern portion of the Hawaiian Islands. I say watch the southern most parts of this land. And I say from Mexico unusual patterns will sweep the nation for there will be a shaking in the land and a shaking in the heavens. And I say to you because of that know My wing is waving over these areas and if you will watch My wing wave even over the Keys of Florida you will say it is time for My Spirit to unlock these regions. I say to you I long to unlock the regions of the South so I will send unusual weather patterns as signs for the unlocking.

6-22-13

John Dickson: (Speaking) Now I prophesy into the sound that God has put into each State and even as I am speaking this I am seeing the sounds that come up out of Louisiana. The sounds that come up out of Oklahoma, the sounds that come up out of Texas, the sounds that come up the sound the music sounds that come up out of Illinois, the Chicago sound. The sounds that come up out of New York, the sounds that come up out of Alabama, the sounds that come up out of California and you mentioned these States there are sounds that come into your consciousness the music that has come forth from there.

Father we pray that the music that has come forth and the sounds that has come forth in each State Lord God, in Hawaii and Alaska Lord God. Even though there might have been perverted when they came into the earth Lord but it doesn't make any difference we take those sounds and we say those sound came from the heart of God, those sounds came from the heart of God and they are not the devil's sounds even though they were played in the bars and they were played in the religious ceremonies of whatever Lord God. We say there are God's sounds and we call them to come together as tributaries coming into a confluence of a mighty River, mighty River of sound let them come.

9-7-13

Chuck Pierce: And I say to you from Hawaii, I will call you and you will come to this state. And I say you will dance and you will decree. You'll come from the north, you'll come from the south and you will come from the west and you will say, 'We are bringing the glory to assist you in this movement.'

12-31-13

Aci Oxtoa: Since we started I keep hearing Hawaii and honestly I just have a sound to release over the Island. **But in the sound I have an understanding that in the uniqueness of Hawaii the enemy has entangled you and separate you because of your uniqueness. And the Lord wants you to embrace that uniqueness but allow the Spirit of God to ah; like a puzzle it's snuck you into place, (releasing a sound).**

5-29-14

Man: *And I've been hearing the Lord for Polynesia from Hawaii all the way down to ah; New Zealand. And He's saying He's lit a path for you and He is holding His plumbline above that. He says raise up your shout, raise up your war cry and dance and worship for Me. Raise it up again for I have come to visit you and My Eyes are on you Polynesia.*

Elaine Priestly: Not only is He raising you up Polynesia but there's a new movement in Your feet. You're gonna move in a brand new way, you're gonna sway in a brand new way and each movement is gonna tear down old structures. So the Lord says rise up and move as you see Me. Move by the Spirit.

4-17-14

Chuck Pierce: Now Father we decree now that a surprise Move of God will hit both Alaska and Hawaii this year and the Spirit of God will go all the way into Asia in a new way in Jesus Name.

10-30-14

Words this Year that have been spoken in other seasons will be made flesh. But lots of things will turn upside down this year that's a part of Hei. Everybody say Hei. And see it'll cause things to turn upside down.

And then you've got to make this choice to follow the Newness of the Wind that produces fire, this Year look not at where the floods are but look at where the fires are. Hawaii right now the big island you know is underneath it is filled with fire. Well Hawaii was the only State in our Nation that ever experienced Pentecost the whole State at that time it wasn't a State it; Pentecost flooded the Islands. Well watch where you see fires this year all right. So that gives you an idea of Hei.

12-14-14

Chuck Pierce to Hawaii: God says to Hawaii I Am ready for Pentecost. I Am ready for My Spirit to come down. Go to every Island and decree the Window of My Anointing will open up where things could not and would not happen in the past I say cause your traditions to re-align with My Movement for My Movement will now come to the Islands. I say to you My

Love will sweep the Islands and when people go there to visit they will experience Me saith the Lord.

3-1-15

Vision Glowing Burning Pipe from Heaven to Waters of West:

Eddie James: (Speaking) Listen last night the Lord woke me up and I sat in the chair of my hotel and Pastor Chuck God gave me this vision. And if I ever am used prophetically at all I see things more than just hear I see. And so I said Lord okay what is this? And I just felt like the Lord gave me this to share for this moment. And I've been waiting when to release this and I feel like this is the moment.

So I had a vision last night and I'm not sure in terms of where I'm standing what would represent the West Coast in terms of California which direction is that? Is it that way? That's what I thought Okay great wonderful. **Okay so I saw this; what seemed to be glowing burning pipe come out of Heaven into the waters of the West. And then it just came right into America all the way to here underground. Okay this glowing, burning pipe, I'm not really sure that that represents and you know when it came right here but once it got here whatever it hit.**

When it got here there was a huge explosion where this; the only way I can explain it is that once it got to this spot, I'm serious I saw pipes going in every direction what; it was just like going just crazy across the land but after this glow begins to kind of form and form into the Star of David.

So everywhere there was a point, there was a pipe and where there was a point there was a pipe and I don't know what that means. And I said Lord I'm looking for something

that would give me a sign that I'm supposed to say that. And while she's singing that I see kind of like a golden Star of David hanging on the wall there. I said okay maybe that's my sign to say that I just saw that as she was singing and I'm not sure exactly what that means except by it hearing about fire this morning.

And I'm sensing this; this Word from the Lord that there is about to be something explosive that's gonna happen in an unprecedented way. And it's going to affect the North, the South, the East, the West, the Northwest, the Northeast, the Southwest, the Southeast and I believe there's a connection with that with David.

Chuck Pierce: Wow! Now remember last week we started prophesying about the West Coast, Washington, Oregon. Let's continue to prophesy. *The Lord would say I'm going to be moving along the West Coast I'm gonna be coming down and the waters will begin to churn. I'm gonna churn in Alaska, Hawaii, Washington, Oregon and California. I say there's a Move that I'm funneling in even the resources are going to be restructured along the West Coast. And then I say all of those that receive the Next Move of the Oil of My Anointing I say I'm going to send that Move, it's gonna come it's gonna be moving underground through Nevada, through Arizona, through Mexico. And I say there will be an explosion here in the center that causes that Move of God to unfreeze the East Coast saith the Lord.*

3-18-18

Keith Pierce: I want to share a dream that I had last night. Last night I guess it was about 2:15 in the morning. **I had this dream about Christine and Peni Patu and in this dream; they were standing on this incredible mountain in Hawaii. And I could see their feet and I could**

see the garment that they were wearing. But around the whole base of the mountain was this extreme fog bank that had lightning in it. And it was so much darkness in this fog bank that you looked down almost in despair.

And I said; Lord; what are You saying to me to say to them? And the Lord spoke to me; *He said; I'm not saying anything to you or to them, I want to show you what I AM getting ready to do in regards for the ones who feet have been placed on the mountain.*

And I looked and all the sudden; this incredibly eagle come up out of the fog bank. And when it did it began to flap its wings and the fog began to dissipate. Then all around the mountain up came another eagle and another eagle and another eagle and the fog bank began to dissipate and the Wind began to swirl.

Keith Pierce: And the Lord spoke to me *and He said; look and see this Hour the Kingly Anointing that I have set on the mountain high because when it begins to cry out to Me the Awakening of the Captured Eagle will occur. And where in the past the enemy has clipped the wind of My Children who I call eagles I AM restoring and giving them the faith to arise! And as they arise it will create a Wind with such a turbulence that what the enemy has encircled with will break.*

Keith Pierce: *He said; see Me do a work in Hawaii. But when the one that you liken to a king comes to this town see it very clearly that I'm not a respecter of persons what I do for one I do for all.*

12-23-18

Chuck: Watch the waves as they begin to lap and come across the shore. It is me pushing the sea into the land and causing mankind to rise up and recognize me. Miami, watch the waves. CA watch the waves. Galveston and Houston watch the waves! For a new wave of my Spirit is coming! Taiwan, I will

send waves to surround you. Singapore, I will wave upon you. And to the Islands of Hawaii a wave of my Spirit is now forming in the seas. Wake up and watch the waves!

5-10-20

Kivi: The Lord says to state of Hawaii - I have come to make your voice louder than in the past. This virus has come to stop your economy through tourism and through food, and the Lord is saying I have a ram in the bush for the state of Hawaii. Even now the traditional chiefs in that land begin to rise up and pastor your tribe again. Begin to lead them economically again. I do indeed have a remnant in Hawaii with a ram in the bush. And the sound of that state will lead the entire west coast. Your day has come! Thriving is on the way, says the Lord!

LeAnn: Hawaii - there is a purity and fire that are coexisting together that are so unusual in Hawaii. I really see that that is going to be a new model for the West coast - purity and fire. Raise your hands and bless Hawaii.

Keith: The Lord spoke to me the same thing. The purification of the kidney had tried to be captured and clogged in Hawaii. The curse against the kidney in Hawaii, I am breaking this moment, because it is an inheritance of that land to bring forth the purification for nations to see, that what has attached itself to the kidney in that land, I am removing with the whirlwind of my finger.

6-14-20

Chuck: You don't have to change to come to the table. By eating with him you change. Quit trying to change before you come to be with him. Let him change you. Sup with him. Old, young, male, female, black, white, Latino, Asian, First Peoples. Israel - come to the table. God chose you first to make you a nation to show us what a nation should be. Africa, come to the table. Australia, Europe, Canada, Singapore - God is speaking to someone right now in Singapore. Indonesia, Russia, China come to the table of the Lord! I heard the Lord say cowboys come, harlots come. Winebibbers come. A new generation come! Hawaii, Alaska, California come. Seattle don't fall for that confusion. Come to the table! Minneapolis, St. Paul come to the table! You who are in prison, God is saying come! You who are in the hospital, say I need a meal from the Lord! And it's never too late.

Prophets come to the table. Dancers come to the table. Singers come to the table. Those who speak in tongues come to the table!

7-6-20

Chuck: We unlock the sound of the people of this land! We say it will not be shut down! We unlock it! Hawaii, you will dance again!

9-11-21

Chuck: Worship must arise from land to land. Worship must arise in America. Turtle island must express worship all the way from Hawaii into Maine into Alaska and the keys. Mark your land for worship. If you

will mark your land for worship, I will shoot and cause my arrows to re-target the lands so they are realigned this hour. I can realign governments based upon your worship, saith the Lord.

9-30-21

Alaska War Council

He says release these mandates, another word for mandate is *decree* . we will decree into the seat of Satan in regions and nations and there will be shifts, because the Lord is downloading these revelation mandates and dispensation that is for , I am saying, the lower 48, we forget Hawaii, 49. In Jesus Name it will go forth

10-10-21

Chuck: We say to Hawaii and Maine - take your mask off! Let the sound of God's people be heard!

1-1-22

Venner Alsten

One of the greatest things that every happened to start the restoration of America was when Alaska and Hawaii were brought in. That was saying you are not going to be complete unless you start including the First Peoples that you rejected when you came on the mainland. So we honor those from the last so we can become and enter in to the order of the First. Let's thank God for Alaska and Hawaii.
