

# North Carolina

**North Carolina State Motto Declaration::** To be, rather than to seem. We will be who we are supposed to be and we won't pretend to be anyone else and our identity will be found in being conformed by God.

## Words for North Carolina

5-22-14

**Chuck Pierce: *So I say to you to the East Coast to New Jersey, to New York to North Carolina, to South Carolina, to Georgia I say to Delaware, I say to those places on the East Coast Florida get ready for gates have been shut in Heaven above you will now begin to open and there will be a new alignment that comes down. So I say get ready for the Gates of Heaven and the Gates of Earth will not begin to align on the East Coast of America!***

October 25, 2013 Asheboro, North Carolina

Tonight there are several things that I am seeing in North Carolina that I want to talk about that The Lord has been showing me that I hope you will be able to see with me.

Amos 3:7-8

What I saw in Wales - What The Lord said to Wales, Scotland and England and Ireland - Impact on North Carolina

Word from Derek Prince to North Carolina in 1976 - Given in Jacksonville

He Prophesied that there would be an end time revival in Eastern Carolina that would dwarf the Historical Welsh Revival

Chuck Pierce

The Lord says I have brought you to this place to re-center My army in this land. I say there is a divine re-centering going on for there is a centrifugal force that is going to start swirling in this land that you are now standing in. So you are being re-centered now and as the centrifuge begins to develop we will see city after city come to a place of decision. I say to you from this area right now beginning today at this moment I am starting to press out the olives that need to be pressed for this season. And I'm forming a wall that will begin to cleanse the confusion of sexual sin and adultery and defilement and work out decisions from the past out of My people. I say to you this is a pressing moment. And the sound I bring you down from Heaven is pressing out an anointing on my threshing floor. I say this will now become the place that you will reach out and say the centrifuge of the nation has begun. I say a swirling power now is being released. Watch as this increases and increases and when you hear that California has seen a new move of My Spirit you will know that the time has come for this nation to choose. I say when you

hear North Carolina has risen up and there is worship coming that is overtaking that state you will know I say because you gathered here I was able to re-center a move within this nation. And start the pressing hour. I say the thundering power that you've heard and continue to hear is causing a people that have been in captivity to say we will now move forward. I say when I thunder in My word an activity starts letting go. I say the thundering power of My Spirit will now be set in motion. There will be sonic booms. There will be earth quakes. There will be sounds that create the thunder. Even be aware when you hear a powerful thunder now you will know that is the place I'm going to see on. I say to you Heaven re-centered and re-centered over what I have known as a nation I chose to lead the world into a new move. And I say to you now because I've re-centered I will start moving and swirling in this nation. Get ready for you will hear of days that will cause your ears to turn red and you'll put your hand on your head and you will speak of a move of My Spirit and a shaking now begins.

5-23-14

Raymond Banks: **We say into South Carolina and North Carolina and Maryland we say open up. I speak to Maine the Northeastern Gate and I say open up and praise your God and that the King of Glory will come in!**

9-28-14

**Chuck Pierce: Vermont, Vermont arise! New Hampshire arise! Maine arise! We say Connecticut rise up! Rhode Island take your stand! Massachusetts be bold! We say this is a day Pennsylvania will arise! The root structure of our land; New York come alive! Georgia be bold! North, South Carolina lead us into a new victory! Texas do not be afraid to take your stand and say America go this way!**

**10-18**

**Chuck Pierce:** Now the Lord spoke to me about the Carolinas. He didn't speak to me about North Carolina. He spoke to me and said, "The Carolinas." And that's the way He said it this afternoon when I was seeking Him after we got here.

He said the Carolinas - there is a new day breaking in the Carolinas. You've been in a stormy time, you've been in a time of pressing through, but there's a new day breaking in the Carolinas. And He said a new flow of the Spirit of God is going to move from the state borders. When He said that I saw the separation of north and south. And I saw the Spirit of God moving south and moving north. The Lord said this is very important as a key witness to this nation, that I can take what has been divided and bring it in to a level of oneness that I long for it to be and operate in. He said as it begins to move like this it is going to create a new triumphant movement that will occur. You look at the history of the Carolinas - very important in the Revolutionary War. The Civil War started in South Carolina. I mean, the impact the Carolinas have had. The first state to secede in the civil war was South Carolina; the last state was North Carolina. I started thinking through the history of the Carolinas, and I thought this is like my wife and I - I mean as different as night and day, and yet called to be one. I am here to say tonight a new movement is beginning in the Carolinas! It's going to change the course of how this nation operates.

**Liberty State Park**

1st Carolina Representative Prophecies and Decrees: I see ripe clusters of grapes on the vine that are dripping in the fullness, so I decree from that the new wine is going to cluster and the new wine coming

forth is filled with miracles. Filled with liberty. There's a liberty is rising up from North Carolina and birth of liberty. A new birth of liberty that was said by Abraham Lincoln that this government by the people, for the people, of the people shall not perish, from the Earth in our generation, by this people on our watch we say a new birth of liberty is rising up.

2nd Carolina Representative Prophecies and Decrees:

We decree in North Carolina the evangelist will align with the apostle that the proper order of God's government will come forward. The evangelist will align with the apostle. We say God's people will find their place in the river and they will find sons and daughters of Abraham who have been waiting there at the river calling out to God rain. This will be a time of harvest that includes not only us of the nations in us but also the sons and daughters of Abraham.

Chuck Pierce: Finally, He showed me the roots of certain states, North Carolina had a Godly Root, South Carolina didn't. He began to distinguish how this nation was really seeking after Him, and He began to show me not every state had a Godly covenant root, but He said there was enough root of Covenant in America that the Covenant of God would rise up and trump the covenant of the enemy. Decree right now states, the roots of states are being shaken free.

8-4-13

**Chuck Pierce to North Carolina:** I also prayed for North Carolina this morning. **I got up the Spirit of God spoke to me about North Carolina. There's something He is ready to do that has been held up in last season that will now explode in this season. So I want us to pray for that door to begin to come open in a new way.**

6-20-13

**Chuck Pierce to North Carolina:** North Carolina get ready the next move is coming to you.

4-27-17

**Chuck Pierce sending James & Robyn Vincent to North Carolina:** *And James; you and Robyn I say; I'm sending you to the East Coast to North Carolina to cause you to set the course for the Wind of My Spirit from the east you will upgrade what they are doing. But you will also say; from this day a Nation will change and open up a new way!*

10-9-16

**Chuck Pierce to Sandra Kay Bell:** Sandra Kay Bell where are you Sandra Kay? ***The Lord says; take that Fat Bull Anointing of Healing back with you to North Carolina and break it open!***

8-13-13

**Melinda Richardson:** But when I looked it wasn't just the banner of Miracles there's also a mantle or prayer shawl and then the door that's standing. ***Now He began to just pull it all forward and pull it into portion but that door leads us out. And the Lion of the Tribe has roared, He's roared with a mantle over the Nations and North Carolina He ended as He took me up during that weekend with Revelation 10 and He said to me you must prophesy again about many peoples, Nations, tongues and Kings.***
