

Words for South Dakota

South Dakota Motto Declarati: Under God the people rule. We have no king but Jesus.

7-10-10

Chuck: Chuck – “There’s an awakening coming to the ground of Washington state and Oregon state. There’s an awakening coming to the northern portion of Oklahoma. There’s an awakening coming in the St. Louis region. There’s an awakening coming across northern New York. There is an awakening and a shaking that is causing the earth to say, ‘What died last season, life is beginning to spring.’”

“Mexico and Peru will awaken. Taiwan will come alive. Singapore will sing from the shaking. North Dakota and South Dakota will say, ‘We have life in this ground.’ Parts of Russia and parts of eastern nations will say, ‘No longer will death hold us.’ Shake it. Shake life loose. The land will move. Hear the land move. Hear the sounds of the land moving.”

9-23-12

Chuck Pierce: Wisconsin seems to be experiencing revival Lord we loose it all over Wisconsin, Minnesota, South Dakota, Iowa.

5-29-14

Dee Dee Roberts: I speak to Idaho there’s the Nez Perce Indians and I say to the Nez Perce arise and let the Glory of God shine within you without and begin to transform your land and begin to transform that State. And I speak to the people of South Dakota and the Dakota’s and the Nakota’s, Lakota’s and the Opp of the Lawless, Sioux Nation and I say arise and let the Glory of God arise unto you for the Lord has a hidden treasure for you.

And He is going to unearth those things that are in the land and cause them to begin to arise and give back to you for those things that have been taken. *And you have been short, you have been ah; pushed down, you have been left on the Reservation but I say unto you, you*

will begin to arise and change because that mentality and that low thinking of being on a reservation and trying to just survive is coming out of you.

And I Am circling your borders and I Am beginning to cause the transformation to begin within and I'm setting you on a new course. I Am setting within you people to arise and to begin to lead in these things of transformation, these things of renewing and letting the Glory come up. So I say arise and shine to the Sioux and I say this is a new day for you.

Janice Swinney: So we speak into the familiarity of the present and we say Lord break it off, break it off! Break it off whatever bondage we've been comfortable with we say that familiar bondage has got to go. We call for Your Glory Lord to bust the chains, to open the prison doors. We say Lord Your Glory alone can set us free!

7-17-16

Brian Kooiman sending Jessica Drake & Team to Pine Ridge, South Dakota & Costa Rica: We also have a Team that's going into Pine Ridge, South Dakota. They're going into Pine Ridge, South Dakota from there their flying into Costa Rica they are going to be ministering to 2 very different groups of people. *But the Lord is saying; this is a time in which I'm going to begin to connect in ways that My People did not think there could be connections from one people to another, from one Nation to another Nation. The Lord says; I Am extending My Hand, I'm extending My Hands to even with you daughter and the Team that you're aligned with; the Lord says; extend your hands for as you go from one Continent to another Continent I'm going to begin to connect Moves of My Spirit in ways that have yet to be seen, have yet to be birthed. He says; reach out allow this Team to be My Hands, to be My Love, to be My servants*

*but there will be a stream of living love and water released in those places in Jesus' Name
amen.*

7-31-16

Chuck Pierce: Now right now tell 2 or 3 people; that disconnect that's been in you is being sealed up! I think that's what we saw this morning when Joe Donnell and the Team from South Dakota were ministering to us; there's a divine disconnect that's being sealed up and God is doing a divine recovery of connecting. Tell somebody; He's divinely re-connecting you!

7-14-18

Chuck Pierce to Joe Donnell: Joe; you're gonna have to shift those people up in Montana and North and South Dakota, Wyoming. Let me list those States off for you Montana, North & South Dakota, Wyoming, Idaho and Nebraska have got to get shifted into a New Gear. Ready for the next Harvest that's gonna start flooding down out of the north into that area. And you're going to be surprised what starts coming from the West into America; the Harvest that's coming.

7-23-18

Chuck Pierce: We say into every tribe, every state, every city, every land mass that has been locked up, we receive those lightning strikes into North Dakota into South Dakota, into Wyoming, into Colorado, Father what we were doing here today is covering this land in a new way and unlocking its wealth and the wealth in the people of your gifts that will cause a profiting to occur.

10-8-18 Rapid City

SD is the only state that has officially legislated Native American Day. Today the Mayor of Rapid City held an event in memory of all of the Native children who were in the boarding schools and were abuse or died there. He made an apology to the Native American on behalf of the Caucasians. This is historic.

Chuck Pierce:

If you will gain momentum, what you do here will affect the nation. It is evident that today something is happening in SD. There is a faith element we want to acknowledge and enter into. We want to gain momentum and not back up. He wants an acceleration of the Spirit.

A new day is breaking in SD but there have been blockades to the fullness of God's plan. As a new day breaks, there will be keys to breakthrough. We have to prophesy again for the breakthrough to come.

There is a new day breaking in the church moving from gatherings. Into kingdom release of God's glory in the land. This is a kingdom meeting so we can better understand how the Lord's prayer works in SD. We want to decree a thing and watch it manifest.

We must change the atmosphere. When we align rightly together, we start enforcing the will of heaven in our territory.

Watch the signposts. It is one thing for us to do identificational repentance, but it is another thing for the mayor of a major city to confess and ask for forgiveness. That carries a whole new level of authority.

When the whole remnant here comes together, the whole territory can be affected. There are times when all of us must work together for a purpose. When we get in a place like we are in, God starts intervening.

God works individually, corporately, territorially and generationally. The devil is trying to take out a generation so you cannot go to war in the future.

There must renewed covenant for visitation and habitation. Revival is coming to SD. God showed it to me.

You will start aligning by armies. We need enough armies to enforce the change.

The gems that have been covered and hidden in this state will be uncovered. Sounds were stopped and perverted. I will uncover the treasures in the fields and the sounds in the ground that have been crying out because of the injustices. I have not come to deal with the injustices but to unlock the sound so the land can be healed.

Not only can strongholds be brought down but you can become the stronghold of God in this state for the nation. We will bring down the stronghold but will make this state a stronghold for the nation.

The glory through you will penetrate the land so the land begins to rejoice again and give up its riches. We want to ask the Lord for an awakening of glory in the state.

ND and SD are gateways in our nation along with MT that have never been unlocked. Is. 28 says that the battle is turned at the gate.

There comes a time when a wind of righteousness comes in and unlocks a territory. Is. 32 says there is a shadow of a great rock in a weary land. This made me think of SD. The Lord said in S. 32 for the daughters who are complacent to rise up. I saw a new move of intercession with the women and a trumpeting of the prophetic by the men. The mourning will come off of the land and the dwellings will be secure in a year.

From today until the next Native American Day, you will see an awakening. The passage says to beat on you breast until the Spirit comes.

Momentum will overtake anything in its way. Will we have postponement? You lose the creative power of unlocking the land and the Spirit. Postponement needs to come to an end. We are running out of time and must make some choices.

We need new expectations. Expectation is linked with emotions. Hope deferred makes the heart sick. Lack of expectation unlocks infirmity. Let new expectation arise and watch for an amazing turn of events in your life.

Destiny Foursquare Church

Gabe Medicine Eagle

We have called for many years for evangelists and we can see things turning. The word reservation means set aside for future use. I believe that God has set the Native people aside on the reservations for such a time as this.

Chuck

I heard the horses over the Dakotas. It is time for you to run with the horses. You have warred on one level but you are moving to a new level and you will have victory.

The next four years are key for you. This is the beginning of the horses coming back to the Dakotas and the 7 Council Fire Nations. You will see restoration.

If the Sioux people ever come back together right, it will change the nation. God has a great redemptive plan for this people for the enemy to fragment them onto these 9 reservation

God chose to have this gathering on Native American day. Faith must be active and demonstrated in time and place. God is looking for one thing, faith. We believe that He is coming down to change this land in a new way. When you are at the right time and the right place, you can operate in tremendous faith.

Our covenant calendar was given to us by God and is celebrated by feasts. We have just ended the year of 8. God reconciles our past to unlock our future. He can reconcile all of the iniquities of the past to unlock your future. You can redeem time. What was lost, you can buy back and get it in order.

Captivity is letting go in SD and we are coming through the gate called new. We are coming into 9, new birth. We will see new birth and restoration to the 9 reservations this year. The dragon is waiting to devour the new birth.

This year is about moving vision into reality. We want to see people and land shifting. We want to see the manifestation of what God wants to happen.

A new Day is Breaking in SD. The blockade will break and a new flow of the Spirit in this land. Time to prophesy.

You have to look at what has been prophesied. Until the kingdom rises up and demonstrates what God is saying, we are not in faith. You must believe the Lord can do what He has said He can do.

You had one people in the beginning. Somehow, they got separated and some have died, but you are going to restore them.

The nine reservations will gather on each reservation to worship. Prophesy to what is not working. We prophesy that the winds will be stirred up in the Dakotas. There is a way for the breath of God to breathe on the people of this area, all the reservations. The enemy feared the authority of this people, so he fragmented them. It will be decreed that the people that were separated are coming back together. Treasures in the land will be unlocked. Harvest will come. It will be announced publicly that the Dakotas are coming back together.

God said to prophesy to the hope deferred until the mind and heart of God is heard through the land. God has a strategy for all nine reservations, to bring healing and wholeness. There is a prophetic anointing in SD to overthrow the stronghold of the nation. God is liberating your voice again.

When death backs off, you will know that God has come into the land. It is time for the change, for the restoration. Death will back off and all of the statistics of death on the reservations will change. Death will back off and the grave will let go of SD.

It is time to prophesy to this land. We will know that God has not only spoken it but has performed it. It is time for the performance of His word in SD.

Complacency hope deferred is ending. Fragmentation created by iniquity that is holding back prosperity is breaking. This is the beginning of speaking your heart and mind until it manifests

on the people. There will be glory meetings on every reservation. We will see the performance of the word of God.

10-9-18 Pine Ridge

God wants to bring us together, native and non-native. When we come together, they we can overcome.

Ata Jack - Pine Ridge is ground zero for revival among the Native Americans. Many Native Americans come here for spiritual empowerment., but they will come here for the true empowerment of Holy Spirit. Once this stronghold is taken, the rest of the Native Tribes will fall to Christianity. This is a matter of life and death for Native Americans. If we do not turn to Christianity, we are all in trouble. This is not just for the Native Americans but for all of America.

Juliann Jealousofhim- Ministry to Youth. There will be all five fold gifts will be raised up in the youth. They will overtake the reservation and show people how to worship the God of heaven.

Chuck

Even though you have been through so much, there is an inheritance you carry that will cause you to prosper. There will be a turning in the generations of our First Peoples.

I try to only be where God tells me. When I do, revival will come. A transforming spirit will invade the reservations.

Revival is a spiritual dynamic. There must be an invasions of HS. Watch for something unusual, a sign that something has invaded the atmosphere.

Native people need to ask boldly for their portion, their double portion, to be released. Call for God to intervene to release your double portion.

Your brothers will do anything to get you out of the way, but if you remain true to Him, he will restore you.

There is a dynamic in the Native people that will bring favor and bring an awakening of the Spirit.

The First Natives will develop a survival plan for this nation. Some of the leaders will come from this tribe.

God will intervene, but you have to remain faithful and wear your favor.

God will bring your offenders back in front of you. Joseph revealed himself to his brothers. They were afraid that he would try to do away with them the way they tried to do away with him. When that gets pulled out of your heart, God can raise you up and use you and no one can oppose you.

Jacob's heart stood still because he could not believe that Joseph was alive and was the governor of Egypt. His heart was wounded. He had lived for 17 years with no hope. This is how many Native Americans feel. Their hearts are wounded and hardened so they cannot believe.

The brothers then began to repeat things Joseph had said to Jacob, the prophecies he had given.

You need to repeat the prophecies given to you.

Then Jacob saw the wagons with supply that Joseph had sent. This is part of revival. There must be a release of supply, so ask for it.

Jacob's spirit came alive.

This is revival, when the spirit comes alive. We see that the distortion of the enemy has to break. There is a dynamic of revival that is coming. The spirit of the people, the identity is coming alive.

America will answer for the atrocities done to this people, but not until the people believe that God made them the leaders of this land, that God has given them first right and first fruit. Something is shifting. There is a new favor coming back to this people who have been pressed down and a new favor to this land.

Your voice will be heard in the government of this state and this nation. Let the bushes begin to burn on every reservation.

Over the next 7 months, there will be an intervention of heaven toward earth.

4-20-19

Chuck Pierce: "The Lord says, 'I commission you to start walking the land, searching for the ancient paths. They will lead to the coming of the covenant plan.' The Lord says, 'I'm rallying the troops. I'm filling the quivers and I will have them ready when the time to advance in this land occurs. The months ahead are key.

"Watch, listen, get ready, for the unlocking in this land is coming. There will be a transfer of authority to My Kingdom people. The land will reform! The key belongs to you to bring the Kingdom down. Get ready! There is a key place, then 6 other places of covenant alignment in this land. One is in Kansas. One is in South Dakota.'

"I see Kentucky being set free. I see Georgia shaking. We say to Iowa, 'The Lord is coming down to align with you. The occult structure will topple in Iowa.' God is starting a move in His people

that will not be stopped. 'There is coming a new path,' says the Lord. 'It is ancient, but has never been unlocked before. Watch. Have the key ready. I have ordained the time. It will be in the journey that is going on.'

"I see Plymouth Rock. The Lord says, 'The timing of the unlocking is important. Once it has been done in My perfect timing, nothing can prevent the shaking of this land. This Passover began the unlocking of an ancient path that shakes the entire land called America.'" —spoken by Chuck Pierce

"But you are a chosen race, a royal priesthood, a holy nation, a people for His own possession, that you may proclaim the excellencies of Him who called you out of darkness into His marvelous light." (1 Peter 2:9 ESV)

"I will give you the keys of the Kingdom of Heaven. Whatever you imprison, God will imprison. And whatever you set free, God will set free." (Matthew 16:19 GWT)
